WisdomTree Model Portfolios Now Available Through Envestnet Wealth Management Platform

NEW YORK, July 25, 2017 (GLOBE NEWSWIRE) -- WisdomTree Investments, Inc. (NASDAQ:WETF), an exchange-traded fund ("ETF") and exchange-traded product ("ETP") sponsor and asset manager driven by research and technology, today announced WisdomTree's model portfolios will now be available on the Envestnet Wealth Management platform. Envestnet, Inc. (NYSE:ENV) is the leading provider of intelligent systems for wealth management and financial wellness.

WisdomTree's model portfolios utilize proven WisdomTree and non-WisdomTree ETFs in order to provide investors with alpha generating strategies in a cost-efficient manner. Outside of strategist fees, the underlying expense ratios for the model portfolios begin at 0.10%.

"We are pleased to be working with Envestnet to add WisdomTree's model portfolios into its wealth management platform. Through the platform, advisors and ultimately their clients, will now have access to WisdomTree's unique model portfolios which incorporate both asset allocation *and* ETF selection, further demonstrating our commitment to innovation," said Luciano Siracusano, WisdomTree's Chief Investment Strategist.

"We are delighted to be the premiere platform to launch WisdomTree's model portfolios," Estee Jimerson, Managing Director, Head of Asset Manager Distribution and Engagement at Envestnet. "As of June 30, 2017, our network services more than 55,000 advisors, almost 6 million investor accounts, and over \$1.1 trillion in total platform assets."

"From a technology standpoint, we are providing the tools and guidance advisors need to operate an efficient practice and empower their clients. The expansion of our platform to include WisdomTree's model portfolios further demonstrates our central mission—helping financial advisors deliver high-quality, personalized, and holistic wealth management services in the most cost- and tax-efficient way possible," Jimerson continued.
