"We will continue to evaluate opportunities in this asset class for both the reinvestment of our previously deployed capital and an expansion of the strategy."

Disclosure Regarding Non-GAAP Measures

This report refers to Cash Available for Distribution ("CAD"), which is identified as a non-GAAP financial measure. We believe CAD provides relevant information about the Partnership's operations and is necessary, along with net income, for understanding its operating results. Net income is the GAAP measure most comparable to CAD. There is no generally accepted methodology for computing CAD, and our computation of CAD may not be comparable to CAD reported by other companies. Although we consider CAD to be a useful measure of our operating performance, CAD is a non-GAAP measure and should not be considered as an alternative to net income that is calculated in accordance with GAAP, or any other measures of financial performance presented in accordance with GAAP. For the amounts disclosed herein related to this transaction, there are no reconciling items between net income per BUC, basic and diluted, and CAD per BUC, basic and diluted.

About America First Multifamily Investors, L.P.

America First Multifamily Investors, L.P. was formed on April 2, 1998 under the Delaware Revised Uniform Limited Partnership Act for the primary purpose of acquiring, holding, selling and otherwise dealing with a portfolio of mortgage revenue bonds which have been

issued to provide construction and/or permanent financing for affordable multifamily, student housing and commercial properties.
