COMMUNITY INVOLVEMENT

This site contributes to or participates in the following community initiatives:

- **Participant:** Operation Good Cheer – Sponsored and coordinated by Michigan Child and Family Services, a volunteer Christmas gift-giving program for children in foster care in the State of Michigan.
- **Participant:** Keep It Clean – Partnership with the city of Auburn Hills to keep the city's roadsides, open areas, and parks clean and attractive. Participants "adopt" both sides of a section of roadside. They either choose an overall section of the park, or open space to clean up over two years.
- **Member:** United Way for Southeastern Michigan – This initiative helps to mobilize Detroit and Southeastern Michigan to improve communities and individual lives in measurable and lasting ways.

PRODUCT END USES

Huntsman products from this facility are used in various industries, including:

Automotive

Aerospace

Footwear

Construction

Energy and fuels

Home life

Food production

Food preservation

SITE HISTORY

1999: Auburn Hills Technical Center opens in October after moving from Sterling Heights where the Technical Center originally opened in 1987. The facility is equipped with an office, development laboratories, pilot plant, warehouse, machine hall facilities, and accredited testing laboratories.

Size of site

95,000 square feet, located on a 12-acre site

Distance from closest city or metro area

The site is 20 miles north of downtown Detroit.
