Capstone Secures New \$10 Million Credit Facility

CHATSWORTH, Calif.-- Capstone Turbine Corporation (www.microturbine.com) (NASDAQ:CPST), the world's leading clean technology manufacturer of microturbine energy systems, today announced that it has entered into a revolving credit facility with Wells Fargo Business Credit, an operating division of Wells Fargo Bank, National Association.

"As we discussed in our last earnings call, this credit facility will assist us in meeting the demands of our growing business," said Darren Jamison, Capstone's President and Chief Executive Officer. "We are pleased that our business gives us the ability to raise capital in today's equity and credit markets."

"Obtaining a credit facility with Wells Fargo was very important to us. We are impressed by their banking fundamentals and look forward to building a long term relationship that grows with our business," stated Edward Reich, Capstone's Executive Vice President and Chief Financial Officer.
