

Palmer Square Capital BDC Inc. (NYSE: PSBD) is a business development company (BDC) that primarily invests in corporate debt securities across private companies in the U.S. through broadly-syndicated loans (BSLs), and to a lesser extent, large cap direct lending. We are managed by our investment adviser, Palmer Square BDC Advisor LLC, a majority-owned subsidiary of Palmer Square Capital Management LLC (“Palmer Square”). Palmer Square, founded in 2009, and based in Kansas City, manages \$33.2BN¹ in fixed income and credit investments on behalf of a diverse client base.

PSBD’s Differentiated Investment Approach

Differentiated Large, Liquid Loan Strategy

- Unique strategy with portfolio of predominantly high-quality BSLs and, to a lesser extent, large private credit loans
- Focus on loans to larger companies with strong fundamentals, senior in the capital structure
- Flexible investment strategy allows for more agility across markets with more upside through NAV appreciation and total return

Opportunistic Portfolio Generates Strong Returns Across Markets

- Ability to deploy capital quickly in the new issue or secondary market
- Smaller pocket for opportunistic investments such as structured credit and European credit

Shareholder Transparency & Attractive Fee Structure

- Only publicly traded BDC disclosing monthly NAV, providing transparency into value of the current portfolio
- Unique fee structure charging management fees only on net assets versus gross assets (no fees paid on leverage) and no capital gains incentive fee

Forward-looking Statements

This fact sheet and any information communicated during any presentation of the fact sheet and any question and answer session and any document or material distributed at or in connection with the presentation of this fact sheet (collectively, the “Presentation”) may contain forward-looking statements relating to the business, operations and financial conditions of Palmer Square Capital BDC Inc. (“we”, “us”, “our”, or the “Company”), including but not limited to current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, and other future conditions. Words such as, but not limited to, “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “outlook”, “plan”, “potential”, “predict”, “project”, “should”, “will”, “would” or the negative of those terms, and similar expressions that convey uncertainty of future events or outcomes, identify forward-looking statements.

These forward-looking statements reflect management’s beliefs and views with respect to future events and are based on estimates and assumptions as of the date of this Presentation and are subject to risks and uncertainties. Factors that may cause actual results to differ materially from current expectations include, but are not limited to: the Company’s ability to identify attractive investment opportunities; changes in interest rates; regulations governing the Company’s operation as a business development company; the operating results and financial condition of the Company’s portfolio companies; the adequacy of the Company’s protections with respect to its loan portfolio; changes in political, economic or industry conditions, the interest rate environment or conditions affecting the financial and capital markets, including the liquidity of certain banks; uncertainty surrounding the financial and political stability of the United States, the United Kingdom, the European Union and China, the conflict in the Red Sea and the conflicts between Russia and Ukraine, and between Israel and Hamas; the impact of fluctuations in interest rates and foreign exchange rates on the Company’s business and its portfolio companies; rising levels of inflation, and its impact on the Company, its portfolio companies and on the industry in which the Company invests; and risks relating to economic recessions or downturns. Moreover, new risks emerge from time to time and it is not possible for management to predict all risks, nor can the Company assess the impact of all factors on its business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. More information on these risks and other potential factors that could affect the Company’s financial results, including important factors that could cause actual results to differ materially from plans, estimates or expectations included herein, is included in the Company’s filings with the Securities and Exchange Commission, including the factors set forth as “Risk Factors” in the Company’s annual reports on Form 10-K and quarterly reports on Form 10-Q. Given these uncertainties, you should not place undue reliance on these forward-looking statements. The Company qualifies all of the forward-looking statements in this Presentation by these cautionary statements. Except as required by law, the Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

This Presentation contains statistics and other data that has been obtained from or compiled from information made available by third-party service providers. We have not independently verified such statistics or data. This Presentation is neither an offer to sell, or a solicitation of an offer to purchase, an interest in the Company.
