## Trecora Resources to Present at the Houlihan Lokey 10th Annual Global Industrials Conference in New York on May 6

SUGAR LAND, Texas, April 27, 2015 /PRNewswire/ -- Trecora Resources (NYSE: TREC), a leading provider of high purity specialty hydrocarbons and waxes, is scheduled to present at the Houlihan Lokey 10th Annual Global Industrials Conference at the New York Marriott Marquis on Wednesday, May 6, 2015.

Simon Upfill-Brown, Executive Vice President, is scheduled to present at 11:35 a.m. Eastern Time and will be available for one-on-one meetings. Mr. Upfill-Brown will review Trecora's first quarter financial results and discuss the Company's recent developments.

An audio webcast of management's presentation will be broadcast live on <http://hl.com/conference/gic2015/live/>, or be available on the investor relations section of the Company's website.

### **About Trecora Resources (TREC)**

TREC owns and operates a facility located in southeast Texas, just north of Beaumont, which specializes in high purity hydrocarbons and other petrochemical manufacturing. TREC also owns and operates a leading manufacturer of specialty polyethylene waxes and provider of custom processing services located in the heart of the Petrochemical complex in Pasadena, Texas. In addition, the Company is the original developer and a 35% owner of Al Masane Al Kobra Mining Co., a Saudi Arabian joint stock company.
