

ATLAS ENERGY SOLUTIONS
CORPORATE GOVERNANCE GUIDELINES
(Adopted as of March 8, 2023)

I. The Board of Directors

A. *Size of Board*

The number of directors that constitutes the Board of Directors (the “Board”) of Atlas Energy Solutions Inc. (the “Company”) will be fixed from time to time pursuant to the Company’s Certificate of Incorporation and Bylaws (as amended from time to time) and subject to the terms of the Stockholders’ Agreement the Company entered into with certain of its stockholders in connection with its initial public offering (the “Stockholders’ Agreement”). The Nominating & Governance Committee is responsible for reviewing the advisability or need for any changes in the number and composition of the Board.

B. *Qualification Standards*

Directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the Company and its stockholders.

Except as otherwise required in order to comply with the terms of the Stockholders’ Agreement, the Board will have a majority of directors who are “Independent Directors” as defined by the listing requirements of the New York Stock Exchange. Each year, the Nominating & Governance Committee will review the relationships between the Company and each director and will report the results of its review to the Board, which will then determine which directors satisfy the applicable independence standards.

Subject to the terms of the Stockholders’ Agreement, the Nominating & Governance Committee is responsible for identifying individuals qualified to become Board members. Except where the Company is legally required by contract (including the Stockholders’ Agreement) or otherwise to provide third parties with the ability to nominate directors, nominees for directorship will be identified by the Nominating & Governance Committee in accordance with the policies and principles in, or established pursuant to, its charter. An invitation to join the Board should be extended by the Board itself, by the Chairman of the Nominating & Governance Committee or by the Chairman of the Board.

C. *Director Responsibilities*

The basic responsibility of each director is to exercise his or her business judgment to act in what he or she reasonably believes to be in the best interests of the Company and its stockholders. In discharging this obligation, directors should be entitled to rely on the honesty and integrity of the Company’s senior executives and its outside advisors and auditors.

Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting should generally be distributed in writing to the directors before the meeting, and directors should review these materials in advance of the meeting. Attendance at Board and committee meetings should be considered by the Nominating & Governance Committee in assessing each director's performance.

D. Service on Other Boards

In advance of accepting an invitation to serve on another public company board, directors should advise the Chairman of the Board and the Chairman of the Nominating & Governance Committee to allow an assessment to be made of, among other things, the potential impact of such service on the director's time and availability, potential conflict of interest issues and the director's status as an independent director.

E. No Term Limits

As an alternative to term limits, the Nominating & Governance Committee will review each director's continuation on the Board at the end of such director's term (other than a director designated pursuant to the Stockholders' Agreement). This will allow each director the opportunity to conveniently confirm his or her desire to continue as a member of the Board.

F. Resignation Policy

If a director wishes to tender his or her resignation or retirement, they must provide written notice, including by electronic transmission, to the Chairman of the Board, the Chief Executive Officer, the President (if any) or the Secretary. Any such resignation or retirement shall be deemed to be effective as of the close of business on the date said notice is received by the Chairman of the Board, the Chief Executive Officer, the President or the Secretary, or at such later time as is specified therein. No formal action will be required of the Board or the Company's stockholders to make any such resignation effective.

G. Director Resignation

If none of the Company's stockholders provides the Company with notice of an intention to nominate one or more candidates to compete with the Board's nominees in a director election, or if the Company's stockholders have withdrawn all such nominations by the 10th day before the Company mails its notice of meeting to stockholders, a nominee must receive more votes cast for than against his or her election or re-election in order to be elected or re-elected to the Board. The Board requires that a director tender his or her resignation if he or she fails to receive the required number of votes for re-election.

If an incumbent director fails to receive the required vote for re-election, the Nominating & Governance Committee will act on an expedited basis to determine whether to accept the director's resignation and will submit its recommendation for prompt

consideration by the Board. The Board expects the director whose resignation is under consideration to abstain from participating in any decision regarding his or her resignation. The Nominating & Governance Committee and the Board may consider any factors they deem relevant in deciding whether to accept a director's resignation.

The Board should nominate for election or re-election as a director only those candidates who agree to tender, promptly following the annual meeting at which they are elected or re-elected as director, irrevocable resignations that will be effective upon (1) the director's failure to receive the required vote at the next annual meeting at which they face re-election and (2) Board acceptance of such resignation. In addition, the Board should fill director vacancies and new directorships only with those candidates who agree to tender, promptly following their appointment to the Board, the same form of resignation tendered by other directors in accordance with the above practice.

H. Chairman of the Board

The Board has no policy with respect to the separation of the offices of Chairman and Chief Executive Officer. The Board believes that this issue is part of the succession planning process and that it is in the best interests of the Company for the Board to make a determination regarding this issue each time it appoints a new Chief Executive Officer and during times of transition.

I. Meetings of the Board

The Chairman of the Board will establish the agenda for each Board meeting. At the beginning of the year, the Chairman of the Board will establish a schedule of agenda subjects to be discussed during the year (to the degree this can be foreseen). Each director is free to suggest the inclusion of items on the agenda. Each director is free to raise at any Board meeting subjects that are not on the agenda for that meeting.

J. Meetings of Non-Management Directors

The non-management directors will have regularly scheduled meetings in executive session. In the event that the non-management directors include directors who are not independent under the listing requirements of the New York Stock Exchange, then at least once a year, there should be an executive session including only independent directors. Any director chosen by the Board (based on the recommendation of the Nominating & Governance Committee) to preside at these meetings will have the authority to call meetings of the independent directors and will be responsible for preparing an agenda for the meetings of the independent directors in executive session. Either the name of the director responsible for presiding at all the meetings of the independent directors or, if the same person does not preside at every meeting, the procedure by which the directors charged with presiding are selected will be disclosed in the Company's proxy statement for its annual meeting of stockholders or, if the Company does not file an annual proxy statement, in its Annual Report on Form 10-K.

K. Board Interaction with External Constituencies

The Board believes that the management speaks for the Company. As such, individual directors will not meet or otherwise directly communicate with stockholders, research analysts, vendors, the press or other external constituencies on behalf of the Company unless the communication is (1) requested by the Chairman of the Board, the Chief Executive Officer or the full Board or (2) required to discharge his or her duties as set forth in committee charters.

L. Director Compensation

The Compensation Committee will conduct a periodic review of director compensation and make a recommendation to the Board regarding the form and amount of director compensation. The Compensation Committee will consider that a director's independence may be jeopardized if (1) director compensation and perquisites exceed customary levels, (2) the Company makes substantial charitable contributions to organizations with which a director is affiliated or (3) the Company enters into consulting contracts with (or provides other indirect forms of compensation to) a director or an organization with which the director is affiliated. Directors who are employees of the Company may not receive any additional compensation for service on the Board.

M. Annual Performance Evaluation of the Board

The Nominating & Governance Committee will lead the Board in its annual performance review. As part of this process, the Nominating & Governance Committee will receive comments from all directors and report to the full Board with an assessment of the Board's performance.

N. Director Orientation and Continuing Education

The Nominating & Governance Committee is responsible for developing and evaluating orientation and continuing education programs for directors, and for making appropriate recommendations for final Board action regarding such programs.

O. Board Member Attendance at the Annual Meetings of Stockholders

Directors are encouraged to attend the Company's annual meeting of stockholders.

P. Stockholder Communications with Directors

The Board welcomes communications from the Company's stockholders and other interested parties. Stockholders and any other interested parties may send communications to the Board, any committee of the Board, the Chairman of the Board or any other director in particular to:

**Atlas Energy Solutions Inc.
5918 W. Courtyard Drive, Suite 500
Austin, Texas 78730**

Stockholders and any other interested parties should mark the envelope containing each communication as “Stockholder Communication with Directors” and clearly identify the intended recipient(s) of the communication. The Company’s General Counsel, or such other officer as is designated by the Board (the “Responsible Officer”) will review each communication received from stockholders and other interested parties and will forward the communication, as expeditiously as reasonably practicable, to the addressees if: (1) the communication complies with the requirements of any applicable policy adopted by the Board relating to the subject matter of the communication; and (2) the communication falls within the scope of matters generally considered by the Board. To the extent the subject matter of a communication relates to matters that have been delegated by the Board to a committee or to an executive officer of the Company, then the Responsible Officer may forward the communication to the executive officer or chairman of the committee to which the matter has been delegated. The acceptance and forwarding of communications to the members of the Board or an executive officer does not imply or create any fiduciary duty of the Board members or executive officer to the person submitting the communications.

II. Committees of the Board of Directors

A. Committees

The Board will have at all times an Audit Committee, a Compensation Committee and a Nominating & Governance Committee. However, the Board may, from time to time, establish and maintain additional committees as necessary or appropriate. Committee members will be appointed by the Board upon the recommendation of the Nominating & Governance Committee, with consideration given to the desires of individual directors.

All of the members of the Audit Committee, Compensation Committee and Nominating & Governance Committee must satisfy the independence and experience requirements detailed in their respective committee charters. The Nominating & Governance Committee will determine whether or not each director is independent, disinterested, and a non-employee or outside director under the standards applicable to the committees on which such director is serving or may serve, and will report the results of its review to the Board. The Board will then determine which directors qualify as independent, disinterested, non-employee or outside directors under applicable standards.

B. Committee Charters

Each committee will have its own charter. The charters will set forth the authority and responsibilities of the committees as well as qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations and committee reporting to the Board. The charters will also provide that each committee will evaluate its performance.

C. Committee Meetings

The Chairman of each committee, in consultation with the committee members, will determine the frequency and length of the committee meetings consistent with any

requirements set forth in the committee's charter. The Chairman of each committee, in consultation with the appropriate members of the committee and management, will develop the committee's agenda. At the beginning of the year, the Chairman of each committee should establish a schedule of agenda subjects to be discussed during the year (to the degree these can be foreseen). Committee members are free to suggest the inclusion of items on the agenda. Committee members are free to raise at any Committee meeting subjects that are not on the agenda for that meeting.

D. Annual Performance Evaluation of the Committees

The Nominating & Governance Committee will lead the Board in the annual performance review of the Board's committees. As part of this process, the Nominating & Governance Committee will request that the Chairman of each committee report to the full Board regarding the committee's annual evaluation of its performance and evaluation of its charter.

III. Director Access to Independent Advisors and Management

The Board and each committee have the power to hire independent legal, financial or other experts and advisors as it may deem necessary, without consulting or obtaining the approval of any officer of the Company in advance.

Directors have full and free access to officers and employees of the Company. Any meetings or contacts that a director wishes to initiate may be arranged through the Chief Executive Officer or directly by the director. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Company.

The Board welcomes regular attendance at each Board meeting of executive officers of the Company. If the Chief Executive Officer wishes to have additional employees regularly attend Board meetings, he or she should obtain prior approval of the Board.

IV. Management Evaluation and Succession Planning

The Nominating & Governance Committee will lead the Board in the annual performance review of the Company's management, including its Chief Executive Officer.

The Nominating & Governance Committee will meet periodically on succession planning. The Chief Executive Officer should at all times make available his or her recommendations and evaluations of potential successors, along with a review of any development plans recommended for such individuals.

V. Review of Governance Policies

The Nominating & Governance Committee periodically will review and reassess the adequacy of these Guidelines and recommend any proposed changes to the Board for approval. In addition, the Nominating & Governance Committee will consider any other corporate governance issues that arise from time to time and will develop appropriate recommendations for the Board. Such review will include management's monitoring of the

Company's compliance programs and Corporate Code of Business Conduct and Ethics, including a report of violations and waivers of the Corporate Code of Business Conduct and Ethics.

VI. Posting Requirement

The Company should post these Guidelines, the charters of each Board committee and the Company's Corporate Code of Business Conduct and Ethics on the Company's website as required by applicable rules and regulations. In addition, the Company should disclose in its proxy statement for its annual meeting of stockholders or, if the Company does not file a proxy statement, in its Annual Report on Form 10-K, that a copy of each document is available on the Company's website and provide the website address.
