A Few of Our Editors' Favorites | By Elena Epstein

Express Yourself: A Hand Lettering Workbook for Kids

Kids can learn fancy cursive and water-color lettering, add details such as flowers and animals and use their work to embellish pillows, notebooks and wall art. \$19.99, ages 10+, amazon.com

MyTime Highchair

Featuring ergonomic and adjustable backrest and footrest, multiple height settings and an easy-to-clean leatherette seat, this highchair is compact when folded and can stand by itself. \$199, birth-36 months, inglesina.us

For more product reviews, visit NAPPAawards.com

Mabel's Labels Travel Pack

This pack includes personalized, waterproof labels designed specifically for suitcases and other travel essentials. \$24.99, mabelslabels.com

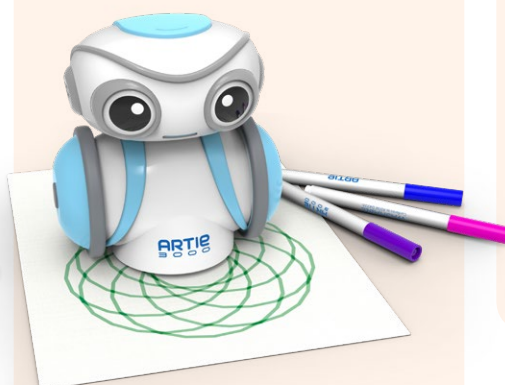

UPPAbaby MINU

Go places with this stylish, compact stroller that is easy to fold and store and weighs less than 15 pounds. \$399.99, birth (with infant car seat adapter) to 50 lbs., uppababy.com

Artie 3000

This coding/drawing robot sparks curiosity and develops coding skills. Kids create and code designs and Artie draws them. \$69.99, ages 7+, codewithartie.com

Lights & Stripes Zebra

Move and groove to music and sing-along songs with this zippy plush that boasts a washable surface and removable electronics. \$14.99, ages birth+, vtechkids.com

Whimsical Wheel High Chair Toy

Spinning wheels, cascading beads and bright colors draw little ones to this toy, which attaches to flat surfaces with a suction-cup base for frustration-free play. \$9.99, ages 6 months+, target.com
