# Applied Digital Secures Additional Financing

DALLAS, Feb. 06, 2024 (GLOBE NEWSWIRE) -- [Applied Digital Corporation](#) (Nasdaq: **APLD**) ("**Applied Digital**" or the "**Company**"), a designer, builder, and operator of next-generation digital infrastructure designed for High-Performance Computing ("HPC") applications, announced that effective January 30, 2024, the Company obtained an unsecured loan with a maximum principal amount of \$20 million. The Company intends to use the loan, which has a two-year term and 12.5% interest rate, to provide additional liquidity to fund the buildout of its HPC data centers. Additionally, the Company has secured \$16 million in site-level financing for its Jamestown HPC facility, which is expected to close in the coming weeks.

"This capital will allow us to continue building our new Ellendale HPC facility and meet our schedule while we finalize our larger project-level financing. It is a continued endorsement of the strength of our business and growth trajectory," said Applied Digital CFO David Rench.

## About Applied Digital

Applied Digital (Nasdaq: APLD) designs, develops, and operates next-generation data centers across North America to provide digital infrastructure solutions to the rapidly growing high-performance computing (HPC) industry. ## Forward-Looking Statements

This release contains "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995 regarding, among other things, future operating and financial performance, product development, market position, business strategy and objectives. These statements use words, and variations of words, such as "continue," "build," "future," "increase," "drive," "believe," "look," "ahead," "confident," "deliver," "outlook," "expect," and "predict." Other examples of forward-looking statements may include, but are not limited to, (i) statements of Company plans and objectives, including our evolving business model, or estimates or predictions of actions by suppliers, (ii) statements of future economic performance, and (iii) statements of assumptions underlying other statements and statements about the Company or its business. You are cautioned not to rely on these forward-looking statements. These statements are based on current expectations of future events and thus are inherently subject to uncertainty. If underlying assumptions prove inaccurate or known or unknown risks or uncertainties materialize, actual results could vary materially from the Company's expectations and projections. These risks, uncertainties, and other factors include: decline in demand for our products and services; the volatility of the crypto asset industry; the inability to comply with developments and changes in regulation; cash flow and access to capital; and maintenance of third party relationships. Information in this release is as of the dates and time periods indicated herein, and the Company does not undertake to update any of the information contained in these materials, except as required

by law.
