

# Desktop Metal Announces Participation at Upcoming Investor Conferences

BOSTON--(BUSINESS WIRE)-- Desktop Metal (NYSE: DM), a leader in mass production and turnkey additive manufacturing solutions, announced today it will present at two upcoming investor conferences.

On Monday, January 11, 2021 the Company will participate at the 23<sup>rd</sup> Annual Needham Virtual Growth Conference. Members of management will present at 10:45 – 11:25 a.m. ET, with one-on-one meetings for institutional investors.

On Wednesday, January 13, 2021 the Company will participate at the ICR Growth Conference. Members of management will present at 1:30 – 2:25 p.m. ET, with one-on-one meetings for institutional investors.

Webcasts of both conference presentations will be available on the Events and Presentations section of Desktop Metal's investor relations site, accessible at [www.ir.desktopmetal.com](http://www.ir.desktopmetal.com).

## About Desktop Metal

Desktop Metal, Inc., based in Burlington, Massachusetts, is accelerating the transformation of manufacturing with end-to-end 3D printing solutions. Founded in 2015 by leaders in advanced manufacturing, metallurgy, and robotics, the company is addressing the unmet challenges of speed, cost, and quality to make 3D printing an essential tool for engineers and manufacturers around the world. Desktop Metal was selected as one of the world's 30 most promising Technology Pioneers by the World Economic Forum; named to MIT Technology Review's list of 50 Smartest Companies; and recognized among the most important innovations in engineering in Popular Science's "Best of What's New." For more information, visit [www.desktopmetal.com](http://www.desktopmetal.com).

## Forward-Looking Statements Legend

This document contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities and Exchange Act of 1934, as amended. Forward-looking statements generally relate to Desktop Metal's future financial or operating performance. These forward-looking statements generally are identified by the words "believe," "project," "expect," "anticipate," "estimate," "intend," "strategy," "future," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result," and similar expressions, including the negatives of such terms. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including but not limited to: (i) the ongoing COVID-19 pandemic and measures taken by Desktop Metal, its customers

and suppliers, and governmental authorities in response thereto; (ii) the possibility that the Company may be adversely affected by other economic, business, and/or competitive factors, including downturns in the highly competitive additive manufacturing industry; (iii) the ability to implement business plans, forecasts, and other expectations and identify and realize additional opportunities; and (iv) other risks and uncertainties set forth in the section entitled “Risk Factors” and “Forward-Looking Statements; Market, Ranking and Other Industry Data” in the registration statement on Form S-4 initially filed by the Company with the U.S. Securities and Exchange Commission (the “SEC”) on September 15, 2020, as amended, and the Company’s other filings with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and the Company assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. The Company does not give any assurance that it will achieve its expectations.
