Athene Elevates Brand Awareness with National Campaign

PEMBROKE, Bermuda--(BUSINESS WIRE)-- Athene Holding Ltd., a Bermuda-based insurance holding company ("Athene Holding," and together with its subsidiaries, "Athene"), announced its 2017 national brand campaign today.

"We're excited about our national brand campaign and the opportunity to further build awareness of Athene across the country in a compelling way," said Jim Belardi, CEO of Athene Holding. "This campaign will continue the momentum we achieved from last year's advertisements by increasing visibility and giving attention to the services we provide."

Athene's campaign continues to communicate its commitment to a high level of performance and brand ethos "Driven to Do More®." The integrated campaign amplifies awareness for Athene through TV, print and digital communications.

The 30- and 15-second TV advertisements use a metaphor to show how some react to a volatile market in contrast to Athene's ability to see opportunity when others don't. The ad highlights the company's focus, commitment and higher expectations for itself, and celebrates those who are like Athene.

The television ads will run on national networks such as Fox News, Fox Business, Forbes, Bloomberg, CNN and HGTV, while print ads will run in *Bloomberg Businessweek*, *Golf* and *Kiplinger's*. To see the campaign ads, visit Athene.com.
