***Led the world's largest public engineering organization***

**ATLANTA, GA / ACCESSWIRE / August 13, 2020 / Perma-Fix Environmental Services Inc. (NASDAQ:PESI**), today announced that Lieutenant General (Ret.) Thomas P. Bostick, PhD, PE, NAE ("General Bostick") has been appointed to the Company's Board of Directors.

General Bostick had a distinguish career in the U.S. military. He retired as the 53rd U.S. Army Chief of Engineers and the Commanding General of the U.S. Army Corps of Engineers (USACE) serving as the senior military officer, overseeing and supervising most of the Nation's civil works infrastructure and military construction, hundreds of environmental protection projects, as well as managing 34,000 civilian employees and military personnel in over 110 countries around the world. As the Chief of Engineers, General Bostick led a $5 billion recovery program after Superstorm Sandy.

General Bostick currently serves as the Managing Partner, Sustainability, of Ridge-Lane Limited Partners, a position he has held since July 2016. Ridge-Lane Limited Partners is a strategic advisory and venture development firm focused on root-cause solutions to grand challenges in education, sustainability, and information technology, with a team of general partners, venture partners, and senior advisors who serve at the highest level of finance, government, and military. He previously served as the Chief Operating Officer and President of Intrexon Bioengineering from November 2017 to February 2020, a division of Intrexon Corporation (formerly NASDAQ: XON; now NASDAQ: PGEN).

Before his command of USACE, General Bostick served in a variety of command and staff assignments with the U.S. Army both in the U.S. and abroad including the Deputy Chief of Staff, G-1, Personnel, U.S. Army; Commanding General, U.S. Army Recruiting Command; Assistant Division Commander, 1st Cavalry Division; Executive Officer to the Chief of Engineers; Executive Officer to the Army Chief of Staff; and Deputy Director of Operations for the National Military Command Center, J-3, the Joint Staff in the Pentagon.

General Bostick's military honors and decorations include the Distinguished Service Medal, the Defense Superior Service Medal, the Bronze Star, the Legion of Merit with two oak leaf clusters, the Defense Meritorious Service Medal, the Meritorious Service Medal with four oak leaf clusters, the Joint Service Commendation Medal, the Army Commendation Medal,

the Army Achievement Medal with one oak leaf cluster, the Combat Action Badge, the U.S Parachutist badge, the Army Recruiter Badge, and the Ranger Tab.

General Bostick was a special assistant to the Secretary of Veterans Affairs during his time as a White House Fellow. He graduated with a Bachelor of Science degree from the U.S. Military Academy at West Point and later returned to the Academy to serve as an Associate Professor of Mechanical Engineering. He holds Master's degrees in Civil Engineering and Mechanical Engineering from Stanford University and a Doctorate in Systems Engineering from George Washington University. General Bostick is a Member of the National Academy of Engineering, and the National Academy of Construction.

Mark Duff, Chief Executive Officer, stated, "We are extremely pleased to welcome General Bostick to the Board of Directors. His extraordinary leadership skills and public service over the past four decades, coupled with his expertise in operations, business development, and M&A, will provide an immediate impact to Perma-Fix and our strategic plan for growth. It is an honor to have a Board member with such an extensive background, including oversight of USACE, where he led some of the nation's largest infrastructure, military, construction, and environmental protection projects. We believe his proven track record of execution, particularly as the Commanding General for the USACE, will be invaluable as we expand our markets into the U.S. Department of Defense (DOD) and commercial sectors for both our Treatment and Services Segments. We look forward to working closely with General Bostick for years to come."

General Bostick noted, "It is a great honor to join the Perma-Fix Board of Directors. Through its excellent effort, Perma-Fix helps to address our country's significant environmental remediation requirements. This work is also important for protecting our people and communities. I am excited to join the Board of a company with such an important role in the future of our planet."
