# Gaucho Group Holdings To Acquire Additional Real Estate Assets in Argentina in Non-Cash Transaction to Increase Shareholder Equity

**NEW YORK, NY / ACCESSWIRE / September 14, 2021** /Gaucho Group Holdings, Inc. ([NASDAQ:VINO](https://www.nasdaq.com/markets/stocks/quotes/VINO)), a company that includes a growing collection of e-commerce platforms with a concentration on fine wines, luxury real estate, and leather goods & accessories, today announced that its shareholders had approved the purchase of additional land holdings in Argentina in an all-stock transaction valued at approximately \$2.4 Million. The purchase price was determined from an evaluation of the real estate performed by an independent third-party.

Located in Argentina, the properties were acquired from the related, but independent entity, Hollywood Burger Holdings, Inc. ("HBH"). One of the property lots is located in the San Rafael, Mendoza region of Argentina, and the other in Córdoba, Argentina, with the estimated fair market value of the combined properties totaling approximately \$2.4 Million. Both properties are located on major thoroughfares, seeing significant foot and street traffic, and both with ample parking, a feature considered a rare benefit in Argentine cities.

Scott Mathis, CEO & Chairman of Gaucho Holdings commented, "This transaction is one more of many potential opportunities for strategic and accretive acquisitions. Of the two properties, one of them currently generates positive cash flow through lease revenues and will be accretive to the company, and we expect the other to have substantial development opportunities. We believe both are in prime areas ripe for development, and we believe the valuation of the real estate was temporarily lowered because of the Covid crisis which could allow for substantial appreciation in the years ahead."
