

### Company Overview

Global Brass and Copper is a leading, value-added converter, fabricator, processor and distributor of specialized non-ferrous products in North America. We engage in metal melting and casting, rolling, drawing, extruding and stamping to fabricate finished and semi-finished alloy products from processed scrap, copper cathode and other refined metals. Our products include a wide range of sheet, strip, foil, rod, tube and fabricated metal component products that we sell under the Olin Brass, A.J. Oster and Chase Brass brand names. Our products are used in various markets, including the building and housing, munitions, automotive, transportation, coinage, electronics/electrical components, industrial machinery and equipment and general consumer markets.
