### About Midwest Energy Emissions Corp. (ME<sub>2</sub>C<sup>®</sup>)

Midwest Energy Emissions Corp. (OTCQB: MEEC) delivers patented and proprietary solutions to the global coal-power industry to remove power plant emissions, providing performance guarantees and leading-edge emissions services. ME<sub>2</sub>C has developed patented technology and proprietary products that have been shown to achieve emissions removal at a significantly lower cost and with less operational impact than currently used methods, while maintaining and/or increasing unit output and preserving the marketability of fly-ash for beneficial use.
