Tecogen to Present at Drexel Hamilton Emerging Growth Conference

Current sales backlog near \$14 million

WALTHAM, Mass., Nov. 23, 2016 /PRNewswire/ -- [Tecogen® Inc.](#) (NASDAQ: TGEN), provider of clean energy products which, through patented technology, nearly eliminate criteria pollutants and significantly reduce a customer's carbon footprint, today announced that John Hatsopoulos, Co-Chief Executive Officer, and Ariel Babcock, Director of Investor Relations and Corporate Communications, will attend the Drexel Hamilton Emerging Growth Conference on Thursday, December 1, 2016. Held at Drexel Hamilton's New York City headquarters at 77 Water Street, Mr. Hatsopoulos will present at 1:00 p.m. and will be available for one-on-one meetings throughout the day.

"2016 has been a banner year for Tecogen. Management's initiatives have been delivering strong sales and backlog growth, demonstrated by our current backlog near \$14 million (which excludes contracted annual service revenue). With the recent announcement of the [acquisition](#) of long-time on-site utility affiliate American DG Energy (NYSE MKT: ADGE), the turn toward profitability which was demonstrated by our compelling third quarter results (detailed [here](#)), and the significant progress we are making with our emissions development work, it's an exciting time to be a Tecogen shareholder. I welcome the opportunity to share the details of these recent developments with the audience at Drexel Hamilton's conference," said Mr. Hatsopoulos.
