

Huntington Bancshares Inc. Political Action Committee (HBI-PAC): 2020-2024 Contribution Report(s)

An important part of Huntington's commitment to community includes active participation in the civic environment that impacts the lives of our customers, shareholders and colleagues.

Huntington's Government Relations team manages all of the public affairs activities of the company to support Huntington's business operations and our ability to serve our customers and communities.

Huntington Bancshares Inc. Political Action Committee (HBI-PAC) Contributions

HBI-PAC, Huntington's political action committee, makes bipartisan campaign contributions in compliance with local, state, and federal election laws. All HBI-PAC funds are voluntary donations from eligible colleagues.

HBI-PAC supports political candidates and committees that believe in, and encourage, a thriving business environment in which Huntington can strengthen our communities, serve our customers, and support our colleagues and shareholders.

The company's political action committees are overseen by a PAC board of directors – a steering committee comprised of colleagues representing various regions and business segments across the company – are administered by Government Relations department staff, and are managed in compliance with applicable local, state and federal laws, as well as Huntington's mission, vision and values. HBI-PAC contributions are publicly available at www.fec.gov (Committee ID C00165589) and on the websites of respective state election authorities.

No corporate funds are contributed to HBI-PAC, and Huntington does not use corporate funds, either directly or indirectly, for election-related contributions to political candidates, political parties, or candidate committees, including super PACs or independent expenditure committees.
