

Fathom Holdings Reports First Quarter 2023 Results

-- Reiterates Adjusted EBITDA Breakeven in the Second Quarter of 2023, Cash Flow Breakeven in the Third Quarter of 2023 --

CARY, N.C., May 10, 2023 /PRNewswire/ -- **Fathom Holdings Inc.** (Nasdaq: FTHM) ("Fathom" or the "Company"), <u>a national, technology-driven, end-to-end real estate services platform</u> integrating residential brokerage, mortgage, title, insurance, and SaaS offerings for brokerages and agents, today reported financial results for the first quarter ended March 31, 2023.

"Our strong results this quarter continue to demonstrate the power of our truly disruptive business model and how we're able to succeed irrespective of the market environment," said Fathom CEO Joshua Harley. "During the first quarter we delivered revenue above our outlook and since the first quarter last year we grew our agent network 18 percent to approximately 10,628 agents, significantly beating domestic agent growth reported by many of our public peers. Even amidst the backdrop of a challenging residential real estate market, we continue to provide a compelling value proposition through innovation and an industry-leading commission model that continues to be resilient in this environment. In fact, March brought us our strongest growth through agent referrals in our company's history. We are encouraged by some recent signs of stabilization across our markets along with the moderation in interest rates during the quarter. While we do not know where interest rates will go this year or whether we are close to the bottom in the housing market, we believe that Fathom has a long and positive runway ahead and our results this quarter give us confidence in reaching total company Adjusted EBITDA breakeven in the second quarter of 2023 and generating positive cash flow in the third quarter of 2023."

"We continue to focus on our balance sheet given the dynamic real estate market conditions and recently completed a convertible note private placement to provide additional operating liquidity and flexibility as we execute on our goal of getting to breakeven," stated Fathom President and CFO Marco Fregenal. "We remain focused on disciplined expense management and are positioned for profitable growth ahead where we can start to show the operating leverage in our businesses."

First Quarter 2023 Financial Results

Fathom's real estate agent network grew 18% to approximately 10,628 agents at March 31, 2023, up from approximately 9,006 agents at March 31, 2022. In spite of an overall market

decline of 25% in real estate transactions from the 2022 first quarter, Fathom only saw a decrease of 15%, completing approximately 8,532 transactions for the 2023 first quarter. Total revenue decreased 14% for the 2023 first quarter to \$77.5 million, from \$90.1 million for 2022's first quarter.

Segment revenue for the 2023 first quarter, compared with the 2022 first quarter was as follows:

	Three Months Ended March 31,					
(Revenue \$ in thousands)	2023			2022		
Real Estate Brokerage	\$	73,170	\$	84,044		
Mortgage		1,464		2,864		
Technology		756		645		
Corporate and other services (a)		2,151		2,529		
Total revenue	\$	77,541	\$	90,082		

⁽a) Transactions between segments are eliminated in consolidation. Such amounts are eliminated through the Corporate and other services line.

GAAP net loss for the 2023 first quarter was \$5.7 million, or a loss of \$0.36 per share, compared with a loss of \$6.0 million, or a loss of \$0.37 per share, for the 2022 first quarter.

General and Administrative expense (G&A) totaled \$9.6 million for the 2023 first quarter, compared with \$10.6 million for the first quarter of 2022. G&A as a percentage of revenue remained relatively constant to the prior year at approximately 12% which is notable considering that revenue decreased by 14% in the first quarter of 2023. We began implementing our cost-reduction initiatives in the fourth quarter of 2022 and are committed to reaching Adjusted EBITDA breakeven in the second quarter of 2023.

Driven by many of the factors discussed above, Adjusted EBITDA, a non-GAAP measure, improved by \$0.7 million, or 33%, to a loss of approximately \$1.4 million for the 2023 first quarter, compared with an Adjusted EBITDA loss of approximately \$2.1 million for the 2022 first quarter.

Fathom provides Adjusted EBITDA, a non-GAAP financial measure, because it offers additional information for monitoring the Company's cash flow performance. A table providing a reconciliation of Adjusted EBITDA to its most comparable GAAP measure, as well as an explanation of, and important disclosures about, this non-GAAP measure, is included in the tables at the end of this press release.

Q1 2023 and Recent Highlights

- Fathom's real estate agent network grew 18% to approximately 10,628 agents at March 31, 2023, up from approximately 9,006 agents at March 31, 2022.
- Fathom completed approximately 8,532 real estate transactions in the first quarter 2023, a 15% decrease relative to the first quarter 2022, as compared to an overall market decline of 25% (according to the National Association of REALTORS and the Census Bureau).
- Commenced operations in Utah for Verus Title during the second guarter 2023.
- Fathom Realty, the Company's real estate brokerage business, moved to the number

two spot on The RealTrends 500 ranking of the top movers by sides in the U.S. from 2021 to 2022 and took the number four spot for largest independent brokerages by sides in 2022.

- Fathom Realty was ranked as the 9th largest real estate firm overall in the United States by transactions in 2022 according to RISMedia's 35th Annual Power Broker Report.
- Fathom Realty is now operating in 37 states and the District of Columbia; Encompass Lending Group in 46 states and the District of Columbia; Dagley Insurance in 47 states and the District of Columbia; and Verus Title in 30 states and the District of Columbia.
- In April 2023, completed a \$3.5 million convertible note private placement, or \$3.3 million after fees and expenses, with an existing longstanding investor which provides additional operating liquidity and financial flexibility.

Guidance/Long-Term Targets

Without giving a timeline for reaching this target, the Company reiterated that it believes it can generate Adjusted EBITDA exceeding \$40.0 million per year at 100,000 to 110,000 transactions per year.

For the second quarter of 2023, Fathom expects total revenue in the range of \$88 million – \$90 million, and Adjusted EBITDA in the range of breakeven to \$0.2 million.

Note about Non-GAAP Financial Measures

To supplement Fathom's consolidated financial statements, which are prepared and presented in accordance with GAAP, the Company uses Adjusted EBITDA, a non-GAAP financial measure, to understand and evaluate our core operating performance. This non-GAAP financial measure, which may be different than similarly titled measures used by other companies, is presented to enhance investors' overall understanding of our financial performance and should not be considered a substitute for, or superior to, the financial information prepared and presented in accordance with GAAP.

Fathom defines the non-GAAP financial measure of Adjusted EBITDA as net income (loss), excluding other income and expense, income taxes, depreciation and amortization, share-based compensation expense, and transaction-related cost.

Fathom believes that Adjusted EBITDA provides useful information about the Company's financial performance, enhances the overall understanding of its past performance and future prospects, and allows for greater transparency with respect to a key metric used by Fathom's management for financial and operational decision-making. Fathom believes that Adjusted EBITDA helps identify underlying trends in its business that otherwise could be masked by the effect of the expenses that the Company excludes in Adjusted EBITDA. In particular, Fathom believes the exclusion of share-based compensation expense related to restricted stock awards and stock options, and transaction-related costs associated with the Company's acquisition activity, provides a useful supplemental measure in evaluating the performance of its operations and provides better transparency into its results of operations. Adjusted EBITDA also excludes other income and expense, net which primarily includes nonrecurring items, such as, gain on debt extinguishment and severance costs, if applicable.

Fathom is presenting the non-GAAP measure of Adjusted EBITDA to assist investors in seeing its financial performance through the eyes of management, and because the Company believes this measure provides an additional tool for investors to use in comparing Fathom's core financial performance over multiple periods with other companies in its industry.

Adjusted EBITDA should not be considered in isolation from, or as a substitute for, financial information prepared in accordance with GAAP. There are a number of limitations related to the use of Adjusted EBITDA compared to net income (loss), the closest comparable GAAP measure. Some of these limitations are that:

Adjusted EBITDA excludes share-based compensation expense related to restricted

- stock and restricted stock unit awards and stock options, which have been, and will continue to be for the foreseeable future, significant recurring expenses in Fathom's business and an important part of its compensation strategy;
- Adjusted EBITDA excludes transaction-related costs primarily consisting of professional fees and any other costs incurred directly related to acquisition activity, which is an ongoing part of Fathom's growth strategy and therefore likely to occur; and
- Adjusted EBITDA excludes certain recurring, non-cash charges such as depreciation and amortization of property and equipment and capitalized software, and acquisition related intangible asset costs, however, the assets being depreciated and amortized may have to be replaced in the future.

The following table presents a reconciliation of Adjusted EBITDA to net income (loss), the most comparable GAAP financial measure, for the three months ended June 30, 2023:
