

Fathom Holdings Reports Third Quarter 2023 Results

- Company Targets Adjusted EBITDA Positive in First Quarter of 2024 -

CARY, N.C., Nov. 8, 2023 /PRNewswire/ -- Fathom Holdings Inc. (Nasdaq: FTHM) ("Fathom" or the "Company"), a national, technology-driven, end-to-end real estate services platform integrating residential brokerage, mortgage, title, insurance, and SaaS offerings for brokerages and agents, today reported financial results for the third quarter ended September 30, 2023.

Q3 2023 and Recent Highlights

- Achieved total revenue of \$93.5 million and GAAP net loss of \$5.5 million during the third quarter.
- Fathom's real estate agent network grew 13% to approximately 11,333 agent licenses at September 30, 2023, up from approximately 9,991 agent licenses at September 30, 2022, as compared to an industry decline of 1.6% (according to the National Association of REALTORS).
- Fathom completed approximately 10,303 real estate transactions in the third quarter 2023, a 14.7% decrease relative to the third quarter 2022, as compared to an overall market decline of over 20% (according to the National Association of REALTORS and

- the Census Bureau).
- Fathom Realty is operating in 37 states and the District of Columbia; Encompass Lending Group in 41 states and the District of Columbia; Dagley Insurance in 47 states and the District of Columbia; and Verus Title in 28 states and the District of Columbia.
- Fathom Realty expanded its operations in Q4 in California through the addition of Advance 1 McKeever Realty. Advance 1 McKeever Realty is an award-winning real estate brokerage with approximately 70 agents that provides a full range of services for buyers and sellers in Stockton, California.
- Fathom Realty expanded its operations in Q4 in Louisiana through the addition of Team Adkins Real Estate, a leading brokerage team in Baton Rouge with 13 agents.
- Fathom Realty expanded its operations in Q4 in Massachusetts through the addition of Council Realty, a prominent name in Pioneer Valley with 22 agents.

"Our results this quarter continue to demonstrate Fathom's ability to navigate challenging market conditions with a truly disruptive business model that is resonating among agents," said Fathom CEO Joshua Harley. "While the residential real estate market remains challenging, we continue to believe that our future remains bright and are positioning Fathom for continued success once the industry rebounds. We're continuing to grow our agent network and believe we'll continue to attract high quality agent teams and brokerages going forward as our agent value proposition remains compelling in the current environment and our pipeline of opportunities remains strong. We believe that Fathom is the most attractive home for agents long-term as we help them ultimately earn more money with an industry-leading flat fee commission split to agents. By further rightsizing the Company's expenses, we've set a target to achieve operating cash flow breakeven as early as Q2 of 2024 while remaining committed to getting back to positive Adjusted EBITDA in Q1 2024 and going forward."

"We remain focused on execution and are taking necessary steps to better position Fathom in the current environment and once the market recovers," stated Fathom President and CFO Marco Fregenal. "During the third quarter, we continued to see the benefits from the cost-reduction measures we've already implemented. We have continued to further right-size the Company's expenses and implement management salary reductions for a combined expected savings of approximately \$1.2 million per quarter. We believe we are positioned for profitable growth ahead where we can start to show the operating leverage in our businesses."

Third Quarter 2023 Financial Results

Fathom's real estate agent network grew 13% to approximately 11,333 agent licenses at September 30, 2023, up from approximately 9,991 agent licenses at September 30, 2022, compared to an industry decline of approximately 1.6%.

In spite of an overall industry decline of over 20% in real estate transactions from the 2022 third quarter, Fathom only saw a decrease of 14.7%, completing approximately 10,303 transactions for the 2023 third quarter. Total revenue decreased 16% for the 2023 third quarter to \$93.5 million, from \$111.3 million for 2022's third quarter.

Segment revenue for the 2023 third quarter, compared with the 2022 third quarter was as follows:

GAAP net loss for the 2023 third quarter was \$5.5 million, or \$0.34 per share, compared with a loss of \$6.0 million, or \$0.38 per share, for the 2022 third quarter.

General and Administrative expense (G&A) totaled \$9.8 million for the 2023 third quarter, compared with \$11.5 million for the third quarter of 2022. G&A as a percentage of revenue remained relatively constant to the prior year at approximately 10.5%. Fathom began implementing its cost-reduction initiatives in the fourth quarter of 2022 and is committed to achieving Adjusted EBITDA positive in Q1 2024 and going forward.

Adjusted EBITDA loss, a non-GAAP measure, was \$253 thousand compared with an Adjusted EBITDA loss of approximately \$2.3 million for the 2022 third quarter.

Fathom provides Adjusted EBITDA, a non-GAAP financial measure, because it offers additional information for monitoring the Company's cash flow performance. A table providing a reconciliation of Adjusted EBITDA to its most comparable GAAP measure, as well as an explanation of, and important disclosures about, this non-GAAP measure, is included in the tables at the end of this press release.

Guidance/Long-Term Targets

Without giving a timeline for reaching this target, the Company reiterated that it believes it can generate Adjusted EBITDA exceeding \$40.0 million per year at 100,000 to 110,000 transactions per year.

Given the continued uncertainty in the macro environment, the Company will not be providing guidance for the fourth quarter ending December 31, 2023 and will revisit guidance expectations next quarter.

Note about Non-GAAP Financial Measures

To supplement Fathom's consolidated financial statements, which are prepared and presented in accordance with GAAP, the Company uses Adjusted EBITDA, a non-GAAP financial measure, to understand and evaluate our core operating performance. This non-GAAP financial measure, which may be different than similarly titled measures used by other companies, is presented to enhance investors' overall understanding of our financial performance and should not be considered a substitute for, or superior to, the financial information prepared and presented in accordance with GAAP.

Fathom defines the non-GAAP financial measure of Adjusted EBITDA as net income (loss), excluding other income and expense, income taxes, depreciation and amortization, share-based compensation expense, and other non-cash and transaction-related costs.

Fathom believes that Adjusted EBITDA provides useful information about the Company's financial performance, enhances the overall understanding of its past performance and future prospects, and allows for greater transparency with respect to a key metric used by Fathom's management for financial and operational decision-making. Fathom believes that Adjusted EBITDA helps identify underlying trends in its business that otherwise could be masked by the effect of the expenses that the Company excludes in Adjusted EBITDA. In particular, Fathom believes the exclusion of share-based compensation expense related to restricted stock and restricted stock unit awards and stock options, and transaction-related costs associated with the Company's acquisition activity, provides a useful supplemental measure in evaluating the performance of its operations and provides better transparency into its results of operations. Adjusted EBITDA also excludes other income and expense, net which primarily includes nonrecurring items, such as, gain on debt extinguishment and severance costs, if applicable, and other non-cash items representing reserves on certain agent fee collections.

Fathom is presenting the non-GAAP measure of Adjusted EBITDA to assist investors in seeing its financial performance through the eyes of management, and because the Company believes this measure provides an additional tool for investors to use in comparing Fathom's core financial performance over multiple periods with other companies in its industry.

Adjusted EBITDA should not be considered in isolation from, or as a substitute for, financial information prepared in accordance with GAAP. There are a number of limitations related to

the use of Adjusted EBITDA compared to net income (loss), the closest comparable GAAP measure. Some of these limitations are that:

- Adjusted EBITDA excludes share-based compensation expense related to restricted stock and restricted stock unit awards and stock options, which have been, and will continue to be for the foreseeable future, significant recurring expenses in Fathom's business and an important part of its compensation strategy;
- Adjusted EBITDA excludes transaction-related costs primarily consisting of professional fees and any other costs incurred directly related to acquisition activity, which is an ongoing part of Fathom's growth strategy and therefore likely to occur; and
- Adjusted EBITDA excludes certain recurring, non-cash charges such as depreciation and amortization of property and equipment and capitalized software, and acquisition related intangible asset costs, however, the assets being depreciated and amortized may have to be replaced in the future.
