In commenting on the Company's results, E. Ashton Poole, President and Chief Executive Officer, stated, "The fourth quarter represented a strong finish to the year for Triangle, with over \$155 million of new investments. Adjusting for previously announced one-time expense items, we were pleased to generate net investment income of \$0.46 per share as compared to our dividend of \$0.45 per share. As we turn to 2017, we are excited by the robust level of activity we are seeing across many of our portfolio companies and also many the financial sponsors with which we work. The recent approval of our third Small Business Investment Company license will help further position us as a leading provider of capital to companies operating in the lower middle market during 2017 and beyond."

Fourth Quarter 2016 Results

Total investment income during the fourth quarter of 2016 was \$31.2 million, compared to total investment income of \$27.4 million for the third quarter of 2016. The increase in our quarter-over-quarter total investment income resulted primarily from higher average portfolio loan balances in the fourth quarter and a \$2.0 million increase in non-recurring income received during the fourth quarter.

Net investment income during the fourth quarter of 2016 was \$17.1 million, compared to net investment income of \$15.8 million for the third quarter of 2016. Net investment income per share during the fourth quarter of 2016 was \$0.42, based on weighted average shares outstanding during the quarter of 40.4 million, compared to \$0.42 per share during the third quarter of 2016, based on weighted average shares outstanding of 38.1 million. Net investment income per share during the fourth quarter of 2016 excluding one-time compensation expenses was \$0.46 per share.

The Company's net increase in net assets resulting from operations was \$7.3 million during the fourth quarter of 2016, compared to \$7.9 million during the third quarter of 2016. The Company's net increase in net assets resulting from operations was \$0.18 per share during the fourth quarter of 2016, based on weighted average shares outstanding of 40.4 million, compared to \$0.21 per share during the third quarter of 2016, based on weighted average shares outstanding of 38.1 million.

Full Year 2016 Results

For the year ended December 31, 2016, total investment income was \$113.7 million, compared to total investment income of \$121.3 million for the year ended December 31, 2015. This change was primarily attributed to a \$7.7 million decrease in non-recurring fee and dividend income.

Net investment income for 2016 was \$58.9 million, compared to net investment income of \$71.6 million during 2015. Net investment income per share during 2016 was \$1.62, based on a weighted average share count of 36.4 million, compared to \$2.16 per share during 2015, based on a weighted average share count of 33.2 million. Net investment income per share during 2016 excluding one-time compensation expenses was \$1.81 per share.

The Company's net increase in net assets resulting from operations during the year ended December 31, 2016, was \$34.3 million, compared to \$47.9 million for the year ended December 31, 2015. The Company's net increase in net assets resulting from operations was \$0.94 per share during 2016, based on the Company's weighted average shares outstanding of 36.4 million, compared to \$1.44 per share in 2015, based on the Company's weighted average shares outstanding of 33.2 million.

The Company's net asset value per share at December 31, 2016, was \$15.13, based on total shares outstanding at December 31, 2016, of 40.4 million, compared to the Company's net asset value per share at December 31, 2015, of \$15.23, based on total shares outstanding at December 31, 2015, of 33.4 million. As of December 31, 2016, the Company's weighted average yield on all of its outstanding debt investments (other than non-accrual debt investments) was 11.7%, compared to 12.2% at December 31, 2015.

Liquidity and Capital Resources

Commenting on the Company's liquidity position, Steven C. Lilly, Chief Financial Officer, stated, "Triangle ended the year with approximately \$280 million of available liquidity, and the approval of the third SBIC license in January will provide up to \$100 million of additional capacity for SBA-guaranteed debentures. We are fortunate to have access to attractively priced capital to support our investment activities in 2017."

At December 31, 2016, the Company had cash and cash equivalents totaling \$107.1 million and \$173.0 million of available borrowing capacity under its \$300.0 million senior credit facility.

As of December 31, 2016, the Company had outstanding non-callable, fixed-rate SBA-guaranteed debentures totaling \$250.0 million with a weighted average interest rate of 3.90%. In addition, the third SBIC license that was approved in January of 2017 provides up to \$100.0 million of additional borrowing capacity for SBA-guaranteed debentures.

Recent Portfolio Activity

During the year ended December 31, 2016, the Company made sixteen new investments, including recapitalizations of existing portfolio companies, totaling \$274.1 million, additional debt investments in eleven existing portfolio companies totaling \$37.8 million and additional equity investments in ten existing portfolio companies totaling \$7.5 million. The Company had fourteen portfolio company loans repaid at par totaling \$170.8 million, which resulted in realized gains totaling \$1.4 million, and received normal principal repayments, partial loan repayments and PIK interest repayments totaling \$41.1 million. The Company converted subordinated debt investments in one portfolio company into an equity investment and recognized a net realized loss on such conversion totaling \$1.6 million. The Company wrote-off debt and equity investments in two portfolio companies and recognized realized losses on the write-offs of \$18.7 million. In addition, the Company received proceeds related
