

Summit Wireless Technologies Grew Revenue 198% in Q3 2021 Year-over-Year

- WiSA Product Category Gaining Traction with Seven New Online Storefronts -

- Rolling Stone Awards Platin Milan 5.1 with WiSA "Best Home Theater System" -

SAN JOSE, Calif.--(BUSINESS WIRE)-- Summit Wireless Technologies, Inc. (Nasdaq: WISA), a leading provider of immersive, wireless sound technology for intelligent devices and next-generation home entertainment systems, provided an update for the third quarter ended September 30, 2021.

"This holiday season, our team is aggressively working to drive sales of the WiSA category of products with consumers and national retailers," said Brett Moyer, CEO, President, and Chairman of Summit Wireless Technologies. "We expect to surpass 2 million WiSA visitors to our websites which builds awareness of WiSA's simplicity and high performance in TVs and Speakers. Seven national retailers are highlighting the category as certified resellers with WiSA storefronts. Using our analytics, we have targeted retail campaigns matching WiSA consumers with retailers offering promotions on speaker systems, TVs, and bundles of TVs and speakers giving consumers true spatial surround sound that a soundbar cannot deliver. We are actively investing in our new strategic marketing team, expanded online storefronts initiative, and engineering for next-gen technology that we expect to further our leadership in the spatial surround sound market."
