# TeraWulf Appoints John Larkin as Director of Investor Relations

## Industry veteran with 25+ years in capital markets and financial services to lead TeraWulf's investor relations strategy

EASTON, Md., Oct. 16, 2024 (GLOBE NEWSWIRE) -- TeraWulf Inc. (Nasdaq: WULF) ("TeraWulf" or the "Company"), a leading owner and operator of vertically integrated, next-generation digital infrastructure powered by predominantly zero-carbon energy, today announced the appointment of John Larkin as Senior Vice President, Director of Investor Relations. In this role, Mr. Larkin will report to Chief Executive Officer Paul Prager.

"John's extensive experience in financial strategy and investor engagement will be critical as TeraWulf continues to scale and execute our growth plans," said Paul Prager. "His deep expertise in capital markets will bolster our relationships with institutional investors and sharpen the communication of our financial performance and strategic milestones."

With over 25 years of experience in capital markets across buy-side and sell-side roles, Mr. Larkin brings extensive knowledge and insight to TeraWulf. Most recently, he served as Chief Operating Officer at Connacht Asset Management. Before that, he spent nearly a decade at Susquehanna International Group, where he led the Event-Driven/Special Situations Desk and served as Assistant Director of Research. Mr. Larkin began his career at Citigroup, holding a variety of key positions.

"I'm thrilled to join TeraWulf during such an exciting and transformative period for the Company," said John Larkin. "With its forward-thinking approach to sustainable digital infrastructure and rapid growth, TeraWulf is uniquely positioned to capture increased attention from the investment community. I look forward to driving investor engagement and contributing to the Company's long-term success."

### About TeraWulf

TeraWulf develops, owns, and operates environmentally sustainable, next-generation data center infrastructure in the United States, specifically designed for Bitcoin mining and high-performance computing. Led by a team of seasoned energy entrepreneurs, the Company owns and operates the Lake Mariner facility situated on the expansive site of a now retired coal plant in Western New York. Currently, TeraWulf generates revenue primarily through Bitcoin mining, leveraging predominantly zero-carbon energy sources, including nuclear and hydroelectric power. Committed to environmental, social, and governance (ESG) principles that align with its business objectives, TeraWulf aims to deliver industry-leading economics in mining and data center operations at an industrial scale.

### Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, as amended. Such

forward-looking statements include statements concerning anticipated future events and expectations that are not historical facts. All statements, other than statements of historical fact, are statements that could be deemed forward-looking statements.
