# AgriFORCE Growing Systems Ltd. Announces Purchase Orders for RCS Devices

**Vancouver, B.C., March 05, 2025 (GLOBE NEWSWIRE)** -- AgriFORCE Growing Systems Ltd. (Nasdaq: AGRI), a leading provider of sustainable Bitcoin mining and agriculture solutions, a leading technology-driven innovator, is pleased to announce key developments in its Radical Clean Solutions (RCS) division

As part of its ongoing efforts to expand RCS internationally, AgriFORCE has signed a new distribution agreement in South America and received its first purchase order for delivery. This strategic milestone marks the beginning of a long-term partnership that will extend across multiple industry verticals, positioning RCS to potentially become a leading solution in the air purification market.

In addition, the RCS division has secured its first two purchase orders in the Caribbean, with deployments set for Barbados and St. Lucia. The division continues to attract strong interest from Latin America, the Middle East, and the Caribbean, reinforcing its role as an innovator in its industry vertical.

"We have been working diligently to enhance RCS's sales and manufacturing capabilities," said Barrett Mooney, AgriFORCE's Chief Operating Officer. "We are enthusiastic about our latest product offerings and the opportunity to collaborate with outstanding partners who help bring these innovative solutions to market."
