About ATA Inc.

ATA is a leading provider of advanced testing technologies in China. The Company offers comprehensive services for the creation and delivery of assessments based on its proprietary testing technologies and test delivery platform. ATA's testing technologies are used for professional licensure and certification tests in various industries, including information technology services, banking, teaching, securities, insurance, and accounting. As of December 31, 2013, ATA's test center network comprised 3,043 authorized test centers located throughout China. The Company believes it has the largest test center network of any commercial testing service provider in China.

ATA has delivered more than 56.0 million billable tests since ATA started operations in 1999. For more information, please visit ATA's website at <http://www.ata.net.cn>.
