About Car Charging Group Inc.:

Car Charging Group Inc. is an owner and provider of EV charging stations with the mission to establish a nationwide infrastructure, enabling EV and Plug-in Hybrid Electric Vehicle (PHEV) owners to charge their EVs anytime, anywhere. As part of its strategy, the company acquires, installs, and maintains electric vehicle charging stations while working with landowner partners to identify appropriate locations for units. The company provides charging stations away from home in customer-friendly public locations, including municipalities, shopping malls, parking garages, multi-family residential and commercial properties.

An estimated 40 million plug-in electric vehicles, such as the Nissan LEAF, Chevrolet Volt, Fisker Karma, Tesla Model S, Ford Focus EV as well as many others, are expected to be on the road by 2030. Car Charging Group recognizes the need to establish a comprehensive network of charging stations that deliver easy, convenient access to drivers wherever they

live, work, and play. Car Charging Group seeks to become the leading provider of electric car charging services. The company launched its operations nationally in September of 2009 and is looking to expand its operations internationally.

Car Charging Group, Inc. is based in Miami, Fla. The company's website can be viewed at www.CarCharging.com.
