# BioCorRx to Exhibit at the International Association of Chiefs of Police 2018 Annual Conference in Orlando, Florida

ANAHEIM, CA, Oct. 05, 2018 (GLOBE NEWSWIRE) -- via NEWMEDIAWIRE – BioCorRx Inc. (OTCQB: BICX) (the "Company"), a developer and provider of advanced solutions in the treatment of alcohol and opioid addictions, today announced that the Company will have an exhibit at the International Association of Chiefs of Police (IACP) 2018 Annual Conference at the Orange County Convention Center in Orlando, Florida on October 6-9th.

The IACP Annual Conference and Exposition is the leading law enforcement event, bringing more than 14,000 public safety professionals to learn new techniques and advance their knowledge through 200+ workshops in 12 targeted tracks, live demos, hands-on exhibits, new products and networking opportunities.

Lourdes Felix CFO, COO, and Director of BioCorRx, stated, "We look forward to once again participating at the IACP conference, as we strongly believe that law enforcement professionals play a critical role in combating substance abuse within their communities. We will be showcasing our BioCorRx® Recovery Program, which empowers patients to succeed in their overall recovery by utilizing our comprehensive medication-assisted treatment (MAT) program that combines a non-addictive naltrexone implant with proprietary cognitive behavioral therapy (CBT) modules and peer recovery support and tracking."

## About BioCorRx

BioCorRx Inc. (OTCQB: BICX) is an addiction treatment company offering a unique approach to the treatment of substance abuse addiction. The BioCorRx® Recovery Program, a non-addictive, medication-assisted treatment (MAT) program, consists of two main components. The first component of the program consists of an outpatient implant procedure performed by a licensed physician. The implant delivers the non-addictive medicine, naltrexone, an opioid antagonist that can significantly reduce physical cravings for alcohol and opioids. The second component of the program developed by BioCorRx Inc. is a one-on-one counseling program specifically tailored for the treatment of alcoholism and other substance abuse addictions for those receiving long-term naltrexone treatment. The Company also has an R&D subsidiary, BioCorRx Pharmaceuticals, which is currently developing injectable and implantable naltrexone products for potential future regulatory approval.
