Barings BDC, Inc. Completes Merger With MVC Capital, Inc.

CHARLOTTE, N.C., Dec. 23, 2020 /PRNewswire/ -- Barings BDC, Inc. (NYSE: BBDC) ("Barings BDC") announced today the closing of the previously announced merger with MVC Capital, Inc. ("MVC Capital"). The combined company, which will remain externally managed by Barings LLC, is expected to have more than \$1.5 billion of assets under management on a pro forma basis.

As a result of the merger, MVC Capital shareholders will receive the following in exchange for each share of MVC common stock held at the effective time of the merger: (i) 0.9790836 of a share of Barings BDC common stock (which gives effect to the Euro-dollar exchange rate adjustment mechanism in the merger agreement), and (ii) approximately \$0.39492 of cash as transaction support provided by Barings LLC. Approximately 17,354,372 million Barings BDC shares will be issued to MVC Capital shareholders in connection with the merger, resulting in MVC Capital shareholders and Barings BDC shareholders owning 26.6% and 73.4% of the combined company, respectively, at closing.

Amended and Restated Investment Advisory Agreement and Credit Support Agreement

In addition, following the closing of the merger, Barings LLC and Barings BDC entered into an amended and restated investment advisory agreement that, among other things, (i) reduced the annual base management fee payable to Barings LLC from 1.375% to 1.250% of Barings BDC's gross assets, and (ii) reset the commencement date for the rolling 12-quarter "look-back" provision used to calculate the income incentive fee and incentive fee cap to January 1, 2021 from January 1, 2020.

Barings LLC also entered into a credit support agreement with Barings BDC, for the benefit of the combined company, to protect against net cumulative unrealized and realized losses of up to \$23.0 million on the acquired MVC Capital investment portfolio over the next 10 years.

Share Repurchase Program

In connection with the closing of the merger, Barings BDC's board of directors affirmed Barings BDC's commitment to open-market purchases of shares of Barings BDC's common

stock in an aggregate amount of up to \$15.0 million at then-current market prices at any time shares trade below 90% of Barings BDC's then most recently disclosed net asset value per share. Any repurchases pursuant to the authorized program will occur during the 12-month period commencing upon the filing of Barings BDC's quarterly report on Form 10-Q for the quarter ending March 31, 2021 and are expected to be made in accordance with a Rule 10b5-1 purchase plan that qualifies for the safe harbors provided by Rules 10b5-1 and 10b-18 under the Securities Exchange Act of 1934, as amended, as well as subject to compliance with Barings BDC's covenant and regulatory requirements.

Appointment of New Independent Director

Effective immediately after the closing of the Merger, Barings BDC increased the size of its board of directors from seven directors to eight directors and appointed Robert Knapp, a former director of MVC Capital, to serve as an independent member of the board of directors. Mr. Knapp has also been appointed to serve on each standing committee of the board of directors.

Redemption of Notes

In connection with the closing of the merger, MVC Capital notified U.S. Bank National Association ("U.S. Bank"), the trustee for MVC Capital's 6.25% Senior Notes due 2022 (the "MVC Notes"), of the election to redeem the remaining \$95.0 million in aggregate principal amount of the MVC Notes outstanding at a price equal to 100% of the principal amount of the MVC Notes, plus accrued and unpaid interest on the Notes to, but excluding, the date of redemption. The trustee has been instructed to provide notice of such redemption to the holders of the MVC Notes in accordance with the terms of the indenture governing the MVC Notes. The redemption is expected to be completed on January 22, 2021 and will be funded with trust funds deposited with U.S. Bank in trust for such purpose. The indenture governing the MVC Notes was discharged at closing.

The MVC Notes have been delisted from the New York Stock Exchange ("NYSE"), and trading in the MVC Notes on the NYSE is expected to be suspended pre-market open on December 24, 2020. After the delisting, holders of the MVC Notes will continue to conduct business with and receive interest payments through the trustee, U.S. Bank. Barings BDC does not intend to arrange for listing and/or registration of the MVC Notes on another national securities exchange or for quotation on another quotation medium.
