Patrick Industries, Inc. Announces Pricing and Upsize of Private Offering of \$500 Million of Senior Notes

ELKHART, Ind., Oct. 7, 2024 /PRNewswire/ -- Patrick Industries, Inc. (NASDAQ: PATK) ("Patrick" or the "Company") today announced the pricing of its upsized private offering of \$500 million aggregate principal amount of its 6.375% Senior Notes due 2032 (the "Notes") in a private placement exempt from registration under the Securities Act of 1933 (the "Securities Act"). The size of the offering reflects an increase of \$100 million in aggregate principal amount of the Notes from the previously announced offering size of \$400 million. The offering is expected to close on or about October 22, 2024, subject to certain closing conditions.

Patrick intends to use the net proceeds from the offering to redeem all of its \$300 million aggregate principal amount of 7.500% Senior Notes due 2027, repay a portion of its borrowings under its existing senior secured credit facility and pay fees and expenses in connection with the foregoing.

Concurrently with the completion of the offering, the Company plans to amend and restate the credit agreement governing its existing \$925 million senior secured credit facility to establish a new \$1.0 billion senior secured credit facility consisting of an \$875 million revolving credit facility and a \$125 million term loan. The maturity date for borrowings under the new senior secured credit facility is expected to be extended to October 2029. The new senior secured credit facility is expected to replace the Company's existing credit facility that is due to mature in August 2027.

This press release is neither an offer to sell nor a solicitation of an offer to buy the Notes, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.

The Notes and related guarantees have not been registered under the Securities Act, or the securities laws of any other jurisdiction, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. Any offers of the Notes will be made only to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act and to non-U.S. persons outside the United States in compliance with Regulation S under the Securities Act.
