SG Blocks to Offer Product Lease Financing to Qualified Clients

Monarch Capital Corporation to Provide the Funding

NEW YORK, Jan. 9, 2014 (GLOBE NEWSWIRE) -- SG Blocks, Inc. (SG Blocks or the "Company") (OTCQB:SGBX), a developer and producer of innovative construction solutions utilizing code-engineered cargo shipping containers, has established a relationship with Monarch Capital Corporation ("Monarch") to provide a lease financing alternative to qualified clients in order to facilitate the financing of SG Blocks product offerings. In business for over 25 years, Monarch has extensive experience in the leasing and financing of capital equipment primarily to middle market companies.

"Leasing is something we think will be particularly valuable to clients interested in temporary and experiential applications. Reducing barriers to deployment by creating greater financial flexibility will expedite products to market and allow for end users to limit the necessary up front capital expenditures. We've had a lot of inquiries regarding the ability to lease and are glad to announce we now offer it," said Paul Galvin, CEO of SG Blocks.
