Ingram Micro Earns Juniper Networks Americas Distributor Partner of the Year Award for Superior Performance and Enablement

Advanced Solutions Organization Honored for Outstanding Execution, Expertise and Enablement

SANTA ANA, CA -- (Marketwired) -- 03/12/15 -- [Ingram Micro Inc.](#) (NYSE: IM) today announced it was named 2014 Distributor Partner of the Year in the Americas region by [Juniper Networks](#), an industry leader in network innovation. The prestigious honor, presented to Ingram Micro's Advanced Solutions organization, reflects the company's relentless focus on exceptional channel partner enablement and business excellence, as well as proven expertise in Juniper networking and security solutions.

Ingram Micro was recognized at IDEAS/Connected 2015 by Juniper executives for outstanding overall performance and its ongoing commitment to providing market-differentiating, value-added services and resources to mutual channel partners.

"We commend Ingram Micro on another exceptional year supporting our mutual channel partners. They continue to bring technical and enablement leadership across our portfolio of routing, switching and security solutions focused on making our partner in the Americas region successful," said Jonathan Belcher, vice president, Americas Partner Sales, Juniper Networks.

"Juniper Networks operated in lock-step with Ingram Micro this past year and continues to align with us to make it a top priority to support our partners, not only with advanced solutions but with providing the industry's most effective resources and partner enablement tools," said Eric Kohl, executive director, Advanced Solutions, Ingram Micro U.S. "This outstanding award is a testimony to our successful and longstanding relationship."
