Volcon, Inc. Announces Launch of Proposed Public Offering

AUSTIN, TX / [ACCESS Newswire](#) / February 4, 2025 / Volcon, Inc. (Nasdaq:VLCN) (the "Company"), the first all-electric, off-road powersports company, today announced that it has commenced a public offering to offer and sell securities, including shares of common stock of the Company ("Common Stock") (or pre-funded warrants in lieu thereof) and warrants to purchase shares of Common Stock.

All of the shares of Common Stock, pre-funded warrants and accompanying warrants are being offered by the Company (the "Offering").

The Company intends to use the net proceeds from the Offering for general corporate and working capital needs. The Company's Common Stock is trading on the Nasdaq Capital Market under the symbol "VLCN". The Offering is subject to market conditions, and there can be no assurance as to whether or when the Offering may be completed, or as to the actual size or terms of the Offering.

Aegis Capital Corp. is acting as the sole book-running manager for the offering on a firm commitment basis.

The securities are being offered pursuant to an effective shelf registration statement on Form S-3 (No. 333-269644) previously filed with the U.S. Securities and Exchange Commission (SEC) and declared effective by the SEC on March 21, 2023. The offering will be made only by means of a prospectus, consisting of a prospectus supplement and an accompanying prospectus. A preliminary prospectus supplement and accompanying prospectus describing the terms of the proposed offering will be filed with the SEC and will be available on the SEC's website located at www.sec.gov. Electronic copies of the preliminary prospectus supplement and the accompanying prospectus may be obtained, when available, by contacting Aegis Capital Corp., Attention: Syndicate Department, 1345 Avenue of the Americas, 27th floor, New York, NY 10105, by email at syndicate@aegiscap.com, or by telephone at +1 (212) 813-1010.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Volcon, Inc.

Based in the Austin, Texas area, Volcon was founded as the first all-electric power sports company producing high-quality and sustainable electric vehicles for the outdoor community.

Volcon electric vehicles are the future of off-roading, not only because of their environmental benefits but also because of their near-silent operation, which allows for a more immersive outdoor experience.

Volcon's vehicle roadmap includes both motorcycles and UTVs. Its first product, the innovative Grunt, began shipping to customers in late 2021 and combines a fat-tired physique with high-torque electric power and a near-silent drive train. The Volcon Grunt EVO, an evolution of the original Grunt with a belt drive, an improved suspension, and seat, began shipping to customers in October 2023. The Brat is Volcon's first foray into the wildly popular eBike market for both on-road and off-road riding and is currently being delivered to dealers across North America. In 2024, Volcon entered the rapidly expanding LUV and UTV market and shipped its first production MN1 unit in October 2024. The new MN1 and HF1 products empower the driver to explore the outdoors in a new and unique way that gas-powered units cannot. They offer the same thrilling performance of a standard LUV / UTV without the noise (or pollution), allowing the driver to explore the outdoors with all their senses.
