About Empery Digital, Inc.

Built on Principles. Powered by Blockchain.

Effective as of July 17, 2025, the Company adopted a bitcoin treasury strategy with the goal of becoming a leading, low cost, capital efficient, globally trusted aggregator of bitcoin. Empery Digital (formerly Volcon) was founded as the first all-electric power sports company sourcing high-quality and sustainable electric vehicles for the outdoor community. The power sports brand will operate under the brand name Empery Mobility. Empery Mobility electric vehicles are the future of off-roading, not only because of their environmental benefits but also because of their near-silent operation, which allows for a more immersive outdoor experience.
