InfuSystem Announces a Public Offering of Shares

MADISON HEIGHTS, MI--(Marketwire - October 19, 2010) - **InfuSystem Holdings, Inc.** (OTCBB: INHI) (OTCBB: INHIW) (OTCBB: INHIU), a leading provider of infusion pumps and associated products and services, announced the completion of its public offering of 2.8 million shares of common stock. The shares were held by a wholly-owned subsidiary of Kimberly-Clark Corporation. InfuSystem did not issue any new shares in the offering and did not receive any proceeds from the offering.

Roth Capital Partners was the sole book-running manager and the co-manager was Maxim Group LLC for the offering.

This announcement shall not constitute an offer to sell, or the solicitation of an offer to buy, shares of common stock.

A registration statement relating to the shares of common stock was declared effective by the Securities and Exchange Commission on October 18, 2010. The offering of the shares of common stock will be made only by means of a prospectus, copies of which may be obtained by contacting Roth Capital Partners. An electronic copy of such documents is also available on the website of the Securities and Exchange Commission at <http://www.sec.gov>.

About InfuSystem
