MADISON HEIGHTS, Mich., Feb. 6, 2012 (GLOBE NEWSWIRE) -- InfuSystem Holdings, Inc. (NYSE Amex:INFU), the leading provider of infusion pumps and related services, today reported preliminary, unaudited revenue results for the fourth quarter and fiscal year ended December 31, 2011.

## Fourth Quarter 2011 Highlights

- Revenues of \$14.0 million, compared to \$13.1 million in the prior year period; a 7% year-over-year quarterly increase
- Second highest quarterly revenue in Company history, only slightly off third quarter 2011 record
- 17th straight quarter of year-over-year revenue growth

## Full Year 2011 Highlights

- Record revenues of \$54.6 million, compared to \$47.2 million in 2010; a 16% year-over-year increase and the fourth consecutive year of revenue growth

"InfuSystem has delivered solid growth and improving financial results through the successful execution of our strategic plan," said Sean McDevitt, Chairman and Chief Executive Officer of InfuSystem. "Despite tremendous headwinds, including the recent oncology drug shortage, revenues increased 16% year-over year. InfuSystem has now delivered increased revenues for 17 consecutive quarters."

"Importantly, our improving financial results are driven by strong organic growth," added McDevitt. "We have built a solid business with broad product and service offerings, allowing InfuSystem to grow with new and existing customers while expanding into new markets. Today, InfuSystem is well-positioned for long-term success and stockholder value creation."

Results are preliminary and subject to audit. The Company will announce its full audited results on Thursday, March 8, 2012 and will host a live conference call and webcast at 10AM
