# InfuSystem Holdings, Inc. Announces \$5 Million Stock Repurchase Program

MADISON HEIGHTS, MICHIGAN, Sept. 30, 2019 (GLOBE NEWSWIRE) -- InfuSystem Holdings, Inc. (NYSE American: INFU) ("InfuSystem" or the "Company"), a leading national provider of infusion pumps and related services for the healthcare industry in the United States and Canada, today announced the Company's Board of Directors has approved a stock repurchase program authorizing the Company to repurchase up to \$5 million of the Company's outstanding common stock through 2020.

Rich Dilorio, chief executive officer of InfuSystem, said, "The stock repurchase program reflects the Board's confidence in our business, as we continue to see significant market share expansion across the company. This growth, plus the extension of our offerings into the new infusion and pump-related sectors, is expected to accelerate the improvements to our revenue, AEBITDA, and cash generation. In addition to enabling rapid organic growth, our strong operations and improved visibility allow us to resume stock repurchases that are expected to create substantial incremental value for our shareholders."

## Stock Repurchase Program

Reflecting the Company's much improved financial position and cash-generating capabilities, the Company's Board of Directors has approved a stock repurchase program authorizing the Company to repurchase up to \$5 million of the Company's outstanding common stock. The repurchase program will be subject to market conditions, the periodic capital needs of the Company's operating activities, and the continued satisfaction of all covenants under the Company's existing credit agreement. Repurchases under the program may take place in the open market or in privately negotiated transactions and may be made under a Rule 10b5-1 plan. The repurchase program does not obligate the Company to repurchase shares and may be suspended, terminated, or modified at any time.
