InfuSystem Holdings, Inc. Announces Promotion of Carrie Lachance to Chief Operating Officer

MADISON HEIGHTS, MICHIGAN, Oct. 02, 2019 (GLOBE NEWSWIRE) -- InfuSystem Holdings, Inc. (NYSE American LLC: INFU) ("InfuSystem" or the "Company"), a leading national provider of infusion pumps and related services for the healthcare industry in the United States and Canada, today announced that Carrie Lachance has been promoted to Chief Operating Officer, effective October 1, 2019.

Richard Dilorio, president and chief executive officer, said, "I am very pleased to announce Carrie's promotion to COO. Our Integrated Therapies Platform relies on the competitive advantages created by the high level of services provided to clinicians and patients utilizing InfuSystem devices. We now have one leader coordinating activities across the company from procurement through patient care, including biomedical, clinical, and logistics. Carrie's leadership abilities coupled with her background and experience will ensure our team maintains its focus on providing patients with the best possible care while continuing to drive operational efficiencies."

Forward-Looking Statements

Statements made in this press release that are not historical facts are considered to be forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act") and Section 21E of the Securities

Exchange Act of 1934, as amended (the "Exchange Act"). The words "believe," "may," "will," "estimate," "continue," "anticipate," "intend," "should," "plan," "expect," "strategy," "future," "likely," variations of such words, and other similar expressions, as they relate to the Company, are intended to identify forward-looking statements. However, the absence of these words or similar expressions does not mean that a statement is not forward-looking. Forward-looking statements include statements relating to future actions, business plans, objectives and prospects, future operating or financial performance. In connection with the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, the Company is identifying certain factors that could cause actual results to differ, perhaps materially, from those indicated by these forward-looking statements. Those factors, risks and uncertainties include, but are not limited to, potential changes in overall healthcare reimbursement, including CMS competitive bidding, sequestration, concentration of customers, increased focus on early detection of cancer, competitive treatments, dependency on Medicare Supplier Number, availability of chemotherapy drugs, global financial conditions, changes and enforcement of state and federal laws, natural forces, competition, dependency on suppliers, risks in acquisitions & joint ventures, U.S. Healthcare Reform, relationships with healthcare professionals and organizations, technological changes related to infusion therapy, dependency on websites and intellectual property, the ability of the Company to successfully integrate acquired businesses, dependency on key personnel, dependency on banking relations and covenants, and other risks associated with our common stock, as well as any litigation to which the Company may be involved in from time to time; and other risk factors as discussed in the Company's annual report on Form 10-K for the year ended December 31, 2018 and in other filings made by the Company from time to time with the Securities and Exchange Commission, including our quarterly reports on Form 10-Q. Our annual report on Form 10-K is available on the SEC's EDGAR website at www.sec.gov, and a copy may also be obtained by contacting the Company. All forward-looking statements made in this press release speak only as of the date hereof. We do not intend, and do not undertake any obligation, to update any forward-looking statements to reflect future events or circumstances after the date of such statements, except as required by law.
