Tecogen to Exhibit at POWER-GEN International

WALTHAM, Mass., Dec. 1, 2015 /PRNewswire/ -- Tecogen[®] Inc. (NASDAQ: TGEN) is pleased to announce that the company will be exhibiting at POWER-GEN International at the Las Vegas Convention Center in Las Vegas, NV. The world's largest power generation event focusing on the industry's latest innovations, technical trends and business strategies, the event will be held from December 8th – 10th, 2015. With a record-setting expected attendance of more than 22,000 attendees and 1,400 exhibitors, POWER-GEN International represents a horizontal look at the industry with key emphasis on new solutions and innovations for the future.

Robert Panora, President and Chief Operating Officer, will be attending along with representatives from Tecogen's west coast sales force. Among the team that developed Tecogen's first products, including the CM-60 cogeneration module, as well as the breakthrough Ultera[™] ultra-clean emissions control technology, Mr. Panora is an authority on Tecogen's complete product portfolio. The entire team will be on hand to answer questions and discuss the Company's cutting-edge emissions control and efficiency technologies; attendees are encouraged to visit Tecogen at Booth 5051 in the PGI Pavilion to learn more about the Company's clean energy solutions.

About Tecogen

Tecogen manufactures, installs, and maintains high efficiency, ultra-clean, combined heat and power products including natural gas engine-driven cogeneration, air conditioning systems, and high-efficiency water heaters for residential, commercial, recreational and industrial use. The company is known for cost efficient, environmentally friendly and reliable products for energy production that, through patented technology, nearly eliminate criteria pollutants and significantly reduce a customer's carbon footprint.

In business for over 20 years, Tecogen has shipped more than 2,300 units, supported by an established network of engineering, sales, and service personnel across the United States. For more information, please visit www.tecogen.com.

Forward Looking Statements

This press release contains forward-looking statements under the Private Securities Litigation Reform Act of 1995 that involve a number of risks and uncertainties. Important factors could cause actual results to differ materially from those indicated by such forward-looking statements, as disclosed on the Company's website and in Securities and Exchange Commission filings. The statements in this press release are made as of the date of this press release, even if subsequently made available by the Company on its website or otherwise. The Company does not assume any obligation to update the forward-looking statements provided to reflect events that occur or circumstances that exist after the date on

which they were made.
