InfuSystem Receives Recertification From the Community Health Accreditation Program (CHAP)

MADISON HEIGHTS, Mich., March 1, 2012 (GLOBE NEWSWIRE) --*InfuSystem Holdings, Inc.* (NYSE Amex:INFU), the leading provider of infusion pumps and associated products and services, today announced that it has once again received accreditation from the Community Health Accreditation Program (CHAP). Accreditation demonstrates InfuSystem's adherence to quality and performance standards of excellence geared to ensure consistently high levels of care for patients in the home health care and hospice environments.

Ms. Jan Skonieczny, Vice President of Operations and Corporate Compliance Officer, commented, "InfuSystem has always maintained the highest standards in all our departmental and operational activities – clinical, biomedical, billing, sales, service, and warehouse. The CHAP seal is a welcomed third-party validation that we are living up to widely recognized standards of excellence. We are very pleased to have been recertified by CHAP. CMS, private insurers, hospitals, physicians, nurses, pharmacists and patients all value the CHAP accreditation."
