BOLINGBROOK, III.--(BUSINESS WIRE)-- ULTA Beauty (NASDAQ:ULTA) today announced financial results for the thirteen week period ended May 2, 2015 ("First Quarter"), which compares to the same period ended May 3, 2014.

"We achieved our best comparable sales growth since 2011, driven by strong traffic growth in both retail and e-commerce, market share gains across all categories, and continued successful execution of our marketing strategies. We also drove significant operating margin expansion, with a healthy balance of product margin improvement and marketing and payroll expense leverage."

- Comparable sales (sales for stores open at least 14 months and e-commerce sales) increased 11.4% compared to an increase of 8.7% in the first quarter of fiscal 2014. The 11.4% same store sales increase was driven by 7.2% growth in transactions and 4.2% growth in average ticket;

This increase was driven by 101 net new stores as well as new brand additions. Average inventory per store increased 8.9% for the first quarter of fiscal 2015, compared to the first quarter of fiscal 2014.
