Composition

Size. The size of the Committee shall be determined by the Board, subject to any requirements or limitations in the Company’s certificate of incorporation or bylaws, and shall comply with all applicable rules of the Nasdaq Stock Market (“*Nasdaq*”).

Qualifications. Each Committee member must have all of the following qualifications:

1. Independence. Each Committee member must meet the independence criteria of (a) the rules of Nasdaq, subject to the exemptions and exceptions provided by the Nasdaq rules, as such requirements are interpreted by the Board in its business judgment, including as set forth in the Company’s Corporate Governance Guidelines, (b) Section 301 of the Sarbanes-Oxley Act of 2002, and the rules promulgated thereunder by the Securities and Exchange Commission (“*SEC*”), including Rule 10A-3 of the Securities Exchange Act of 1934 (the “*Exchange Act*”), subject in each case to the exemptions and exceptions provided therein, and (c) any other applicable legal requirements, including no Committee member can have participated in the preparation of the Company’s, or any of its subsidiaries’, financial statements at any time during the past three years.
2. Financial Literacy and Expertise. Each Committee must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification or other comparable experience that leads to financial sophistication, and at least one member of the Committee (who may be the

same person) must be an “audit committee financial expert” within the meaning of Section 407 of the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder by the SEC. The Board will determine, in its business judgment and upon the recommendation of the Nominating and Governance Committee, whether a member is financially literate and whether at least one member or members has the requisite accounting or financial expertise and meets the financial expert criteria.

3. Compensation. Each Committee member may receive as compensation from the Company only (a) director’s fees (which includes all forms of compensation paid to directors of the Company for service as a director or member of a Board Committee) and/or (b) pension payments or other deferred compensation provided that such compensation is not in any way contingent on continued service.
4. Limitation on Service on Other Public Company Audit Committees. If a Committee member simultaneously serves on the audit committee of more than three public companies (including the Company), the Board must determine that such simultaneous service would not impair the ability of such member to effectively serve on the Committee. The Company will disclose any such determination in its annual proxy statement.

Selection. The Board selects Committee members, including to fill member vacancies following the death, resignation or removal of a Committee member, based on recommendations of the Nominating and Governance Committee, and in accordance with the requirements of Nasdaq and other regulatory authorities. The Board will select a Committee Chair from among the Committee’s members.

Resignation and Removal. Each Committee member will serve at the pleasure of the Board for such term as the Board may decide or until such Committee member is no longer a Board member. A Committee member may resign from the Committee upon written notice to the Board. Resignation from the Committee does not automatically resign the member from the Board.

Authority and Responsibilities

The Committee is responsible for overseeing the Company’s financial reporting process on behalf of the Board. Management is responsible for the preparation, presentation, and integrity of the Company’s financial statements and for the appropriateness of the accounting and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company’s financial statements and for reviewing the Company’s interim financial statements. The independent auditors report directly to the Committee.

The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the Company’s independent auditors (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.

The Committee's authority and responsibilities include the following:

Independent Auditors

1. Retain the Independent Auditors. The Committee has the sole authority to (a) retain and terminate the Company's independent auditors, (b) approve all audit engagement fees, terms and services, and (c) approve any non-audit engagements with the Company's independent auditors. 5. Ensure Required Rotation of Lead Audit Partner and Evaluate Rotation of the Audit Firm. The Committee will, at least annually, review and evaluate the lead partner of the independent auditor and take such steps as may be required by law with respect to the regular rotation of the audit partner serving on the Company's audit engagement team. The Committee will further consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself.
6. Report to the Board on the Qualifications, Independence and Performance of Auditors and Lead Audit Partner. At least annually, the Committee will evaluate the qualifications, independence and performance of the independent auditors and the lead audit partner and will present its conclusions to the Board. If so determined by the Committee, the Committee will recommend that the Board take additional action to satisfy itself of the qualifications, independence and performance of the

independent auditors and the lead audit partner. In performing its evaluation, the Committee should take into account the opinions of management and the Company's internal auditors (which may be a third-party firm as long as it is not the independent auditors) or, if the Committee deems appropriate, other personnel responsible for the Company's internal audit function.

The Committee is to regularly review and discuss with the independent auditors the matters required to be discussed pursuant to applicable auditing standards relating to the conduct of the audit, as well as any audit problems or difficulties and management's response, including (a) any restrictions on audit scope or on access to requested information, and (b) any disagreements with management. Among the items the Committee may want to review with the independent auditors are: any accounting adjustments that were noted or proposed by the independent auditors but were "passed" (as immaterial or otherwise); any communications between the Company's audit team and the independent auditors' national office regarding auditing or accounting issues presented by the engagement; and any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditors to the Company.
