ABOUT NEW MOUNTAIN FINANCE CORPORATION

New Mountain Finance Corporation (NASDAQ: NMFC) is a leading business development company (BDC) focused on providing direct lending solutions to U.S. middle market companies backed by top private equity sponsors. Our portfolio consists primarily of senior secured loans, and select junior capital positions, to growing businesses in defensive

industries that offer attractive risk-adjusted returns. Our differentiated investment approach leverages the deep sector knowledge and operating resources of New Mountain Capital, a global investment firm with over \$45 billion of assets under management as of September 30, 2023.

FORWARD-LOOKING STATEMENTS

Statements included herein may contain “forward-looking statements”, which relate to the Company’s business, including, but not limited to, the timing and the number of shares to be repurchased, if any, under the Repurchase Program, future operations, future performance or the Company’s financial condition. Forward-looking statements are not guarantees of future performance, condition or results and involve a number of risks and uncertainties, including the current conflict between Russia and Ukraine, conflict in the Middle East, changes in base interest rates and significant volatility on the Company’s business, portfolio companies, the Company’s industry and the global economy. Actual results and outcomes may differ materially from those anticipated in the forward-looking statements as a result of a variety of factors, including those described from time to time in the Company’s filings with the Securities and Exchange Commission or factors that are beyond the Company’s control. The Company undertakes no obligation to publicly update or revise any forward-looking statements made herein, except as may be required by law. All forward-looking statements speak only as of the time of this press release.
