# Security Devices International Inc. Files Final Prospectus for Public Offering

TORONTO, ONTARIO -- (Marketwired) -- 07/08/13 --

Security Devices International Inc. ("SDI") (TSX VENTURE:SDZ)(OTCBB:SDEV), a defense technology company specializing in the development of innovative, next generation non-lethal ammunition, announced today it has filed a final long form prospectus dated July 2, 2013 (the "Prospectus") with the securities regulatory authorities in Alberta, British Columbia and Ontario in connection with the public offering of common shares of SDI. SDI has entered in to an agency agreement with Macquarie Private Wealth Inc. (the "Agent") for the public offering, on a commercially reasonable efforts basis, of 7,500,000 common shares at a price of CDN\$0.40 per share for total gross proceeds of \$3,000,000 (the "Offering"). A copy of the Prospectus is available on SEDAR at [www.sedar.com](http://www.sedar.com).

SDI has granted the Agent an over-allotment option (the "Over-Allotment Option"), exercisable for a period of 30 days after the closing date of the Offering, to purchase up to 1,125,000 additional common shares at the offering price to cover over-allotments, if any, made by the Agent in connection with the Offering and for market stabilization purposes. If the Over- Allotment Option is exercised in full, the total gross proceeds of the Offering will be \$3,450,000. The TSX Venture Exchange (TSX-V) has conditionally approved the listing of the shares, subject to SDI fulfilling all of the TSX-V requirements. This press release is for information purposes only and does not constitute an offer to sell or a solicitation of an offer to buy any securities of SDI in any jurisdiction. SDI will issue a further news release as soon as the date for trading on the TSX-V has been confirmed.
