April 5, 2023

Intel to Report First-Quarter 2023 Financial Results

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Intel Corporation today announced that it will report first-quarter 2023 financial results on Thursday, April 27, 2023, promptly after close of market. Intel will then hold an earnings conference call at 2 p.m. PDT that day to discuss the results.

A live public webcast of the earnings conference call can be accessed on Intel's Investor Relations website at intc.com. Associated materials and webcast replay will be available on the site.

About Intel

Intel (Nasdaq: INTC) is an industry leader, creating world-changing technology that enables global progress and enriches lives. Inspired by Moore’s Law, we continuously work to advance the design and manufacturing of semiconductors to help address our customers’ greatest challenges. By embedding intelligence in the cloud, network, edge and every kind of computing device, we unleash the potential of data to transform business and society for the better.
