

Phunware Announces Second Quarter 2020 Financial Results

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, today announced financial results for its second quarter ended June 30, 2020, and provided an update on recent business developments.

“Independent of the ongoing pandemic, we continue executing our operational model and business strategy to become the premier digital transformation source for mobile initiatives worldwide,” said [Alan S. Knitowski, President, CEO and Co-Founder of Phunware](#). “Our latest quarter closed with nearly \$10 million in Backlog and Deferred Revenue for our [Multiscreen-as-a-Service \(MaaS\)](#) platform, while most of our corporate customers remained in either a lockdown or remote, work-from-home operational status. While we do not expect our customers or partners to be back to normal operations until a COVID-19 vaccine becomes widely available, we are already seeing much more business activity with each passing week and month and believe that there is a lot of pent up demand tied to pending MaaS bookings that will be released throughout the balance of the year.”

Notably, the Company expects an acceleration of Net Revenues total for both the coming quarter and the balance of the year sequentially, and also believes that the most recent quarter represents a quarterly, annual and historic bottom for its revenue recognition as a public company.

Second Quarter 2020 Summary Financial Highlights

- Net Revenues for the quarter totaled \$2.2 million
- Platform Subscriptions and Services Revenues were \$2.0 million
- Gross Margin was 65.3%
- Net Loss was (\$3.5) million
- Net Loss per Share was (\$0.08)
- Non-GAAP Adjusted EBITDA Loss was (\$1.8) million

“As we manage through the uncertainty of the ongoing pandemic, we are encouraged that we have been able to position ourselves for success in the future by strengthening our balance sheet and lowering our operational expenses,” said [Matt Aune, CFO of Phunware](#). “In addition to our efforts reducing operational expense, we are pleased to see an improvement of nearly 1,500 basis points to year-over-year gross margin as we continue to focus on our higher margin longer term software customers.”

Recent Business Highlights and Announcements

- Notable Strategic Announcements:
 - [Refinanced Senior Convertible Note](#)
 - [Phunware to Present at Canaccord Genuity’s Annual Growth Conference](#)

- Notable Customer Wins:
 - Launched [Next Generation Mobile Healthcare Solution at Parkview Health](#)

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "expose," "intend," "may," "might," "opportunity," "plan," "possible," "potential," "predict," "project," "should," "will," "would" and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a

statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.

Disclosure Information

Phunware uses and intends to continue to use its Investor Relations website as a means of disclosing material nonpublic information and for complying with its disclosure obligations under Regulation FD. Accordingly, investors should monitor the Company’s Investor Relations website, in addition to following the Company’s press releases, SEC filings, public conference calls, presentations and webcasts.

Non-GAAP Financial Measures and Reconciliation

Adjusted EBITDA should be considered in addition to, not as a substitute for, or superior to, financial measures calculated in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”). It is not a measurement of our financial performance under GAAP and should not be considered as an alternative to net income (loss), as applicable, or any other performance measures derived in accordance with GAAP and may not be comparable to other similarly titled measures of other businesses. Adjusted EBITDA has limitations as an analytical tool and should not be considered in isolation or as a substitute for analysis of our operating results as reported under GAAP. Some of these limitations include: (i) Non-cash compensation is and will remain a key element of our overall long-term incentive compensation package, although we exclude it as an expense when evaluating its ongoing operating performance for a particular period, (ii) Adjusted EBITDA does not reflect the impact of certain charges resulting from matters we consider not to be indicative of ongoing operations, and (iii) other companies in our industry may calculate Adjusted EBITDA differently than we do, limiting their usefulness as comparative measures.

We compensate for these limitations to Adjusted EBITDA by relying primarily on its GAAP results and using Adjusted EBITDA only for supplemental purposes. Adjusted EBITDA includes adjustments for items that may not occur in future periods. However, we believe these adjustments are appropriate because the amounts recognized can vary significantly from period to period, do not directly relate to the ongoing operations of our business and complicate comparisons of our internal operating results and operating results of other peer companies over time. Each of the normal recurring adjustments and other adjustments described in this paragraph help management with a measure of our operating performance over time by removing items that are not related to day-to-day operations or are non-cash expenses.
