Phunware Reports Second Quarter 2023 Financial Results

AUSTIN, Texas, Aug. 10, 2023 (GLOBE NEWSWIRE) -- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (“Phunware” or the “Company,” “we,” “us” or “our”), the pioneer of Location Based SaaS that offers the only fully integrated [enterprise cloud platform](#) for mobile that enables brands to engage, manage and monetize anyone anywhere, today announced financial results for the quarter ended June 30, 2023.

“This past quarter was a pivotal period for Phunware, as we right sized our workforce to an optimal amount, reduced our corporate cash burn, and have refined our sales & marketing strategy to capitalize on opportunities across the multitude of industries where our Location-Based Platform solution can make a significant impact,” said Russ Buyse, CEO of Phunware. “Spearheaded by our newly appointed CFO Troy Reisner, we are working on restructuring our existing debt and negotiating with prospective investors on more favorable terms, in tandem with reducing our cash burn to accelerate our organization toward a path of growth and profitability. As we activate our revamped sales and marketing strategy, we continue to have productive conversations with prospective clients. One of the more recent deals we executed was with Thumper Pond, a resort that is representative of the entire category of mid-market hospitality brands that can affordably and effectively use our Location-Based Platform to offer guests the best and most personalized experience. Looking ahead, we remain laser focused on commercializing our Location-Based Platform across all verticals, with a heavy emphasis on hospitality and healthcare.”

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "expose," "intend," "may," "might," "opportunity," "plan," "possible," "potential," "predict," "project," "should," "will," "would" and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading "*Risk Factors*" in our filings with the Securities and Exchange Commission (the "SEC"), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under "*Risk Factors*" in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in

which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.

Non-GAAP Financial Measures and Reconciliation

Our non-GAAP financial measures include adjusted gross profit, adjusted gross margin and

adjusted earnings before interest, taxes, depreciation and amortization ("EBITDA") (our "non-GAAP financial measures"). Our non-GAAP financial measures should be considered in addition to, not as a substitute for, or superior to, financial measures calculated in accordance with GAAP. They are not measurements of our financial performance under GAAP and should not be considered as alternatives to revenue or net loss, as applicable, or any other performance measures derived in accordance with GAAP and may not be comparable to other similarly titled measures of other businesses. Our non-GAAP financial measures have limitations as analytical tools and should not be considered in isolation or as a substitute for analysis of our operating results as reported under GAAP. Some of these limitations include: (i) non-cash compensation is and will remain a key element of our overall long-term incentive compensation package, although we exclude it as an expense when evaluating its ongoing operating performance for a particular period, (ii) our non-GAAP financial measures do not reflect the impact of certain charges resulting from matters we consider not to be indicative of ongoing operations, and (iii) other companies in our industry may calculate our non-GAAP financial measures differently than we do, limiting their usefulness as comparative measures.

We compensate for these limitations to our non-GAAP financial measures by relying primarily on our GAAP results and using our non-GAAP financial measures only for supplemental purposes. Our non-GAAP financial measures include adjustments for items that may not occur in future periods. However, we believe these adjustments are appropriate because the amounts recognized can vary significantly from period to period, do not directly relate to the ongoing operations of our business and complicate comparisons of our internal operating results and operating results of other peer companies over time. Each of the normal recurring adjustments and other adjustments described in this paragraph help management with a measure of our operating performance over time by removing items that are not related to day-to-day operations or are non-cash expenses.
