Amesite Launches V6 Platform, Enabling Any Customer to Leverage GPT-4 Powered Functionality for Learning and Training

DETROIT, April 03, 2023 (GLOBE NEWSWIRE) -- Amesite Inc. (NASDAQ: AMST), a leading artificial intelligence software company offering a cloud-based learning platform for business and education markets, announces today its Version 6.0 platform, with expanded AI capabilities powered by GPT-4 – the same technology behind ChatGPT Plus and Microsoft’s New Bing. Amesite customers can now provide learners with enhanced AI-assisted learning, as well as new AI-driven, purpose-built features.

Amesite also announces that Customers who reach 10,000 monthly active users are eligible to receive two custom, purpose-built AI features at no additional cost. Custom feature types include:

- Educational Games
- Interactive Learning Experiences
- Leaderboards and other Learning Incentives

Amesite CEO, Dr. Ann Marie Sastry said, “Advancements in generative AI are revolutionizing the way people learn and work. Amesite’s Version 6.0 platform, which delivers over 99% retention for paid experiences, is the toolset our customers need to provide their learners with AI-assisted learning and engaging, purpose-built learning experiences. Learners who use Amesite Version 6.0 gain real-world experience in leveraging the latest generative AI tools, a skillset which will only grow in demand.”

Amesite VP of Sales, Brandon Owens said, “Amesite’s continued integration of the latest technology enables our Customers to stay ahead of the pack, with offerings that enable them to launch offerings quickly, support learners efficiently, and scale programs with excellence.”

Globally, 67% of leaders say they are considering ways to use generative AI at their company. Meanwhile, 66% say their employees lack the skills to successfully leverage generative AI.

The global AI in education market size is expected to expand at a compound annual growth rate of 36% until 2030.

Amesite recently announced that they are [providing the public with an opportunity to experience a free ChatGPT course on the Amesite platform](#); registration is available [here](#).
