About Hannon Armstrong

With over 30 years of experience, Hannon Armstrong (NYSE: HASI) is a capital provider focused on reducing the impact of, or increasing resiliency to, climate change. Our portfolio includes efficiency, renewable energy and resiliency assets with a focus on long-term, recurring and largely predictable cash flows or cost savings from proven technologies. With scientific consensus that climate warming trends are linked to human activities, we believe our firm is well positioned to generate better risk-adjusted returns by investing in the assets that reduce carbon emissions. We are based in Annapolis, MD.
