Capstone To Present at the Sidoti & Company, LLC Spring 2019 Investor Conference on March 28, 2019, in New York City

VAN NUYS, Calif., March 20, 2019 (GLOBE NEWSWIRE) -- Capstone Turbine Corporation (www.capstoneturbine.com) (Nasdaq: CPST), the world's leading clean technology manufacturer of microturbine energy systems, announced today that its President and Chief Executive Officer, Darren Jamison, will present Capstone Turbine's corporate overview and growth strategy to investors at the Sidoti & Company, LLC Spring 2019 Investor Conference.

The conference will be held on Thursday, March 28, 2019, at the Marriott Marquis Hotel in New York City. Capstone's presentation can be viewed the day of the conference by visiting the Investor Relations section of the company's website at www.capstoneturbine.com.

Darren Jamison will present on March 28, 2019, at 2:40 PM ET. Joining Mr. Jamison will be Mr. Cory Glick, Founder and President of RSP Systems, Capstone's dedicated New York and Connecticut Distribution Partner.

"I am excited to be an invited presenter once again at the Sidoti & Company conference in New York City, and look forward to discussing our business update, growth opportunities and strategy. I also look forward to sharing with the investment community an update on the expansion of Capstone's growing Factory Protection Program, or FPP, service contract business and our newly expanded long-term rental program," added Mr. Jamison.

"I am looking forward to joining Darren at the conference and having the opportunity to speak directly with investors as part of the Sidoti spring conference," said Mr. Cory Glick. "As RSP Systems is Capstone's dedicated New York and Connecticut Distribution Partner, I am out in the field every day representing Capstone's product, and I am looking forward to sharing our insights with investors. I am equally looking forward to providing updates on a few of RSP's current marquee projects, such as Hudson Yards, Manhattan West, Kings County Hospital and Sloan Kettering." Mr. Glick went on to say, "the perspective of the investor is always interesting as I get to learn more about the view from a 35,000-foot level while illustrating our success and discussing how we navigate the ever-changing CHP landscape."

Mr. Jamison and Mr. Glick will be available for one-on-one meetings throughout the conference day. Qualified institutional investors interested in scheduling a one-on-one meeting with Capstone's team during the conference are encouraged to contact the Sidoti & Company conference representatives directly.

About Capstone Turbine Corporation

Capstone Turbine Corporation (www.capstoneturbine.com) (Nasdaq: CPST) is the world's leading producer of highly efficient, low-emission, resilient microturbine energy systems. Capstone microturbines serve multiple vertical markets worldwide, including natural resources, energy efficiency, renewable energy, critical power supply, transportation and microgrids. Capstone offers a comprehensive product lineup, providing scalable systems focusing on 30 kW to 10 MWs that operate on a variety of gaseous or liquid fuels and are the ideal solution for today's distributed power generation needs. To date, Capstone has shipped over 9,000 of these systems into 73 countries logging millions of operating hours.

Capstone is committed to improving the efficiency of energy needs around the world, while simultaneously reducing global emissions of pollutants and greenhouse gases. Capstone's systems help end users improve their impact on the environment, while still meeting power and reliability needs. During fiscal year 2019, Capstone saved end-use customers an estimated \$194 million in annual energy costs and 314,000 tons of carbon.

Not only does Capstone enable customers to reduce CO₂ and emissions, Capstone applies the same principals to its own environmental footprint and focuses internally on its environmental risks, energy consumption, waste disposal and carbon footprint. Capstone also strives to foster a corporate culture emphasizing its relationship with employees, customers and suppliers in order to ensure that Capstone's corporate values are aligned with those of its employees, customers and suppliers.
