

Westell Announces Resignation of SVP Worldwide Sales

AURORA, Ill., July 26, 2024 -- Westell Technologies, Inc. (the “Company”), a leading provider of high-performance network infrastructure solutions, today announced Mr. Jesse (“JJ”) Swartwood, tendered his resignation from his position as SVP Worldwide Sales, in order to pursue other interests. Mr. Swartwood’s resignation will be effective August 5, 2024.

“I am grateful to have worked at an excellent organization with so many talented people,” comments Swartwood. “I am proud to have been part of a winning team that focuses on the customer. I wish the Westell team all the best in their future successes.”

Mr. Tim Duitsman, the Company's CEO said, “I thank JJ for his achievements, hard work and leadership over the years and wish him success in his future endeavors. As we move forward, we are committed to continue collaborating with our customers to provide solutions with reliable products and services.”

About Westell

Westell is a leading provider of high-performance network infrastructure solutions focused on innovation and differentiation at the edge of communication networks where end users connect. The Company's portfolio of products and solutions enable service providers and network operators to improve performance and reduce operating expenses. With millions of products successfully deployed worldwide, Westell is a trusted partner for transforming networks into high quality, reliable systems. “Safe Harbor” Statement under the Private Securities Litigation Reform Act of 1995

Certain statements contained herein that are not historical facts or that contain the words “believe,” “expect,” “intend,” “anticipate,” “estimate,” “may,” “will,” “plan,” “should,” or derivatives thereof and other words of similar meaning are forward-looking statements that involve risks and uncertainties. Actual results may differ materially from those expressed in or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, the product demand and market acceptance risks, customer spending patterns, need for financing and capital, economic weakness in the United States (“U.S.”) economy and

telecommunications market, the effect of international economic conditions and trade, legal, social and economic risks (such as import, licensing and trade restrictions), the impact of competitive products or technologies, competitive pricing pressures, customer product selection decisions, product cost increases, component supply shortages, new product development, excess and obsolete inventory, commercialization and technological delays or difficulties (including delays or difficulties in developing, producing, testing and selling new products and technologies), the ability to successfully consolidate and rationalize operations, the ability to successfully identify, acquire and integrate acquisitions, the effects of the Company's accounting policies, retention of key personnel, the effects and consequences of pandemics. The Company undertakes no obligation to publicly update these forward-looking statements to reflect current events or circumstances after the date hereof, or to reflect the occurrence of unanticipated events, or otherwise.
