Northpointe Bancshares, Inc. Announces Common Stock Repurchase Program

GRAND RAPIDS, Mich.--(BUSINESS WIRE)-- Northpointe Bancshares, Inc. (NYSE: NPB) (the “Company”) today announced that its Board of Directors authorized a new common stock repurchase program at its meeting held on October 22, 2026. The program authorizes the Company to repurchase up to $30 million of its outstanding common stock and will expire on October 22, 2027.

“The Board's authorization reflects confidence in our business model, strong capital position and long-term growth strategy,” said Chuck Williams, Chairman and Chief Executive Officer. “This repurchase program provides us with an additional tool to allocate capital prudently while continuing to invest in the growth of our franchise and deliver value to shareholders.”

The timing, price and amount of any repurchases under the common stock repurchase program will depend on a number of factors, including the Company’s capital and financial position, market conditions, the trading price of the Company’s common stock, regulatory requirements and limitations, and applicable securities laws. The repurchase program does not obligate the Company to repurchase any shares of common stock and may be extended, modified, suspended or terminated at any time.
